

Violence, Murder Erupt In Chicago

Negro Youths Storm Neighborhoods

CHICAGO (AP)—Mobs of Negro youths, throwing fire bombs and bricks, stampeded through two Chicago neighborhoods Wednesday night.

It was the second successive night of violence on Chicago's West Side.

Twenty Negro youths were arrested and charged with arson, resisting arrest or disorderly conduct.

Dozens more were seized by police but later released.

More than a dozen policemen were hit by bricks, rocks and bottles but none suffered serious injuries.

At least two neighborhood residents were hit by stray bullets and hospitalized.

Scores of other persons were treated for injuries or hospitalized with wounds ranging from cuts to possible skull fractures.

Fire bombs started many blazes. Dozens of stores were looted. Broken glass from smashed shop windows littered sidewalks and streets.

For the second day in a row, a gushing fire hydrant set off street fighting along Roosevelt Road near the Loop.

Police turned off the hydrant, which had been turned on illegally—although it is a summer tradition in Chicago to cool off with gushing fire hydrants. Temperatures were in the 80s. Tuesday's disturbance had started the same way.

The onlooking Negroes shouted "police brutality!" and claimed that police hit children with swinging nightsticks. Soon rocks and bottles began to crash in the police ranks.

Many of the rock throwers were adults and some were only 10 or 11 years old.

Blue-helmeted police charged the ragged lines of rock throwers, firing warning shots into the air.

Nobody was wounded during the exchange of gunfire.

Earlier, two Negroes received gunshot wounds in separate incidents. Both victims told hospital officials they had been standing in their apartments when bullets whizzed through windows, wounding them.

When darkness fell, fire bombs again began to arc down from rooftops and out of the alleys.

Firemen answering calls were pelted with rocks. At one point, three fire bombs burst in the middle of a group of firemen fighting a blaze set by other fire bombs.

GOP To Probe Suit Dismissal, Campaign Cash

WASHINGTON (AP)—Republican leaders are expected to call today for a congressional inquiry into the government's dismissal of an antitrust suit against the Anheuser-Busch Co. after officials of the brewing firm contributed \$10,000 to a Democratic fund-raising organization.

A spokesman for the company said "the whole thing is preposterous."

It was understood that Rep. Charles E. Goodell, R-N.Y., would call for the inquiry in a House speech today.

ENGAGEMENT OF singer Frank Sinatra, left, to television star Mia Farrow was announced Wednesday. The two are shown here aboard the yacht Southern Breeze last year. No date for the wedding has been set. (AP Wirephoto)

Sinatra, Mia Farrow Announce Engagement

NEW YORK (AP)—It's official. Frank Sinatra and Mia Farrow are engaged and they'll be wed sometime between Thanksgiving and Christmas.

The engagement was announced Wednesday by the mother of the bride-to-be, actress Maureen O'Sullivan.

"I couldn't be more delighted," the mother said. "Frank is a wonderful person and I know they'll be very happy together."

Sinatra, 50, was causing teenage girls to swoon as he sang with the bands of Harry James and Tommy Dorsey some years before his 21-year-old bride was born. He has a son and a daughter older than Miss Farrow.

Charge Alley

Some 30 policemen charged into the alley behind the burning structure, cursing the jeering Negroes and ordering them out of the way. They were greeted with sporadic gunfire and fired back.

Suddenly six shots rang out in rapid succession. Police fired more volleys as spectators ducked behind brick walls and mailboxes.

The night's second incident erupted 2 1/2 hours later, some three miles west and along Pulaski Road. White detectives who had arrested a Negro robbery suspect were peppered with rocks by an all-Negro crowd.

Then the crowds broke out of control, smashed windows and looted stores.

The district's police commander, George Sims, a Negro, refused to estimate exactly how many hundreds of people were involved.

Police Attacked

"These night fighters throw a rock from a rooftop or an alley and then melt away," he said.

The area was the scene of two nights of rioting last August.

But the night's most serious incidents occurred up and down the mile-long strip of Roosevelt Road that divides the all-Negro public housing neighborhood to the south from a poor Italian-American neighborhood to the north.

Some 500 police flooded the area as the night wore on.

They were attacked by crowds that at times numbered more than 300. The crowds would disperse as police advanced on them, only to reassemble a block or so away.

Heavy rain brought a momentary lull, but fighting broke out again when the rain stopped.

Plea Ignored

During the lull, members of the West Side Organization, a Negro social-action group, heard an aide of Dr. Martin Luther King Jr. plead for calm.

"I'm as ready to die as any man," said the Rev. Andrew Young, "but get yourselves something worth dying for. In Watts, a whole lot of people got hurt because they weren't organized. Sure the kids need swimming pools here. But this is a little thing we blow hot about. The main problem is that there are too many of us packed in here. We need living space."

DOUBLE AGENT Frank J. Mrkva, 38, a state department employee, holds an electronic listening device at a press conference after the State Department revealed a plan by two Czechoslovakia diplomats to use Mrkva to "bug" the department with the device. (AP Wirephoto)

U.S. Fighters Bag 3 MIGs

SAIGON, South Viet Nam (AP)—American jet fighters blasted two MIG21s out of the skies over North Viet Nam within three minutes today after downing a slower MIG17.

All three MIGs were brought down by heat-seeking Sidewinder missiles.

As U.S. Air Force F4C Phantom fighters were blasting the MIG21s, North Viet Nam's fastest jet fighter, U.S. B52 bombers pounded an area just south of the 17th Parallel frontier where an estimated 5,000 infiltrating Communist troops were believed to be massing.

Like Barn Door

Three minutes later the second delta-wing MIG21 was shot down 50 miles northwest of the North Vietnamese capital.

Capt. William J. Swinder, 31, of Alamogordo, N.M., and 1st Lt. Duane A. Buttell, 25, of Chillicothe, Ill., brought down the first Communist jet.

"The MIG looked like a barn door," said Buttell. "We shot him down with our first missile as he was on the tail of an F105."

Credit for the second MIG21 went to 1st Lt. Ronald G. Martin of Lake Villa, Ill., and 1st Lt. Richard N. Kriepa, 24, of Chesterton, Ind.

In the daylight Wednesday four Navy Phantom fighters bottled six slower MIG17s which challenged them as the Americans were providing a protective shield for U.S. planes bombing the Co Tai railway and highway bridges 23 miles southeast of Hanoi.

The Navy said one MIG was brought down by 1st William M. McGugan, 26, of Spearfish, S.D., and Lt. (j.g.) Robert M. Fowler, 25, of San Francisco. The other five MIGs fled, and the four Phantoms returned undamaged to the carrier Constellation, a Navy spokesman said.

Foreign Aid Bill Passes First Test

WASHINGTON (AP)—The administration's \$3.3-billion multilateral foreign aid authorization bill has sailed through its first House test but opponents vowed to try again today to slash both time and money from the measure.

The House voted down 122 to 86 Wednesday night an amendment to cut the two-year authorization to a single year. Rep. William S. Mailliard, R-Calif., author of the rejected amendment, later declared: "I'm sure somebody else will try again today. If they don't," he added, "I just might."

A final vote is expected late today. Voting on amendments started Wednesday after two days of debate.

Police Nab Man In Nurse Killings

CHICAGO (AP)—Eight student nurses were strangled and knifed to death in their dormitory early today in what one official called "the crime of the century."

One girl escaped to tell the horror.

A man wearing a bloodstained white shirt was seized in mid-morning in downtown Chicago after he had attempted to purchase an air line ticket to New Orleans. Police said later he did not match the description, however.

In what FBI officials termed the worst crime in their recollection, the victims, aged 21 to 23, were killed one at a time during a 2 1/2-hour slaughter.

One young woman was strangled in a downstairs living room of the two-story brick town house at 2319 E. 100th St., used by South Chicago Hospital as a dormitory. The scene is a middle class neighborhood in the city's far Southeast Side.

Double Agent Reveals Spying Not Profitable

WASHINGTON (AP)—Is spying for the Communists worthwhile?

"It is certainly not," in the opinion of the American double agent who got \$3,440 for more than four years' espionage for the Czechs that was climaxed by a futile move to "bug" key offices in the State Department building.

The American, Frank J. Mrkva (pronounced meerk' va), worked with the Federal Bureau of Investigation, the State Department said Wednesday as it revealed details of the strange cloak and dagger case.

Although many secret listening devices have been uncovered in U.S. embassies in Communist capitals, this was the first time State Department authorities could recall an announced discovery of a Communist eavesdropping attempt right in their own headquarters.

Try Office Bug

The Czechs asked Mrkva at first to plant a tiny microphone transmitter in the office of the director of Eastern European affairs, but they aimed for bigger game later—including turning in on the talks of Undersecretary of State George W. Ball.

The result of Korean War veteran Mrkva's super sleuthing: One Czech diplomat, Jiri Opatrný (pronounced yee' opot'rin'), a Czech Embassy attaché here, has been ordered out of the country. A second, Zdenek Pisk, is being allowed to stay in the United States at this time only because he is now with the Czech mission to the United Nations at New York, which puts him in a different diplomatic category.

Mrkva Honored

As for Mrkva, 38, the 6-foot-2 trim brown-haired Beaver Falls, Pa., native and father of three is getting an honor award and a spot promotion boosting his salary from \$9,267 to \$10,967 a year.

At a State Department news conference Wednesday and in a later interview, Mrkva said it all began back in 1961 when he was a passport office employee whose duties included taking official passports to embassies around Washington for visas.

Closed CIA Hearing Asked By Mansfield

WASHINGTON (AP)—Senate Democratic Leader Mike Mansfield of Montana asked today for a rare closed-door session today for debate on the proposal to enlarge the committee that supervises the nation's spy system.

Pending was a request by Chairman J. W. Fulbright, D-Ark., of the Senate Foreign Relations Committee to add three members of that panel to the Senate subcommittee group which now includes only senators of the Armed Services and Appropriations committees.

The closed session was asked in an effort to avoid disclosure of national security information as affairs of the hush-hush Central Intelligence Agency are discussed.

Sen. Richard B. Russell, D-Ga., chairman of the existing group, said it had rejected a new compromise effort at an

Teens Room

NEW YORK (AP)—Small groups of Negro teen-agers roamed the Bedford-Stuyvesant section of Brooklyn Wednesday night and early today. Police said they broke seven store windows and there was some looting. Two youths were arrested.

Weather

Brigitte Bardot, Marries Playboy

LAS VEGAS, Nev. (AP)—Brigitte Bardot, France's international sex symbol, married wealthy German playboy Gunther Sachs today in a private ceremony that ended with kisses and an Irish toast.

Sachs is a widower with an 11-year-old son, Rolf. He is on the board of one family company and is chairman of another.

Miss Bardot has a 6-year-old son, Nicolas, by her marriage to actor Jacques Charrier in 1959. They were divorced in 1963 in Paris and Charrier got custody of the child.

Heat Wave Toll Hits 106

By The Associated Press

Storms hit scattered sections of the nation's heat belt during the night but brought only temporary relief from the hot and humid weather across the eastern two-thirds of the country.

The death toll from the heat wave—now three weeks old in some areas—was at least 106. Scores of persons have been treated in hospitals for heat exhaustion and the continued hot and muggy weather has made millions of persons miserable.

Heat-related deaths in St. Louis and in two Illinois counties across the Mississippi River from the city totaled 87, including 54 in St. Louis.

New York City's Health Department reported 17 deaths last week directly attributed to heat stroke. Deaths for the week totaled 2,250, which was 650 above normal for the period.

Helen L. Taylor, St. Louis coroner, said most of the dead were elderly persons who died of heat and exhaustion, or a combination of heat exhaustion and such ailments as heart disease and diabetes.

The mercury soared to 106 degrees in St. Louis Wednesday, marking the fifth straight day of temperatures above 100.

Readings also reached 100 degrees or higher in parts of 21 states. The 101 at New York City was a record for July 13, eight degrees higher than the mark set in 1954. Philadelphia's 97 also was a high for the date.

There appeared little indication of any general cooling, with

sunny weather forecast again for most of the nation. However, afternoon showers were expected in the Gulf and Southeast states, from the Rockies to the high Plains, and in the Upper Mississippi Valley.

Scorching heat blistered areas in the South, including 108 at Batesville, Ark., about 75 miles north of Little Rock. The high in Little Rock was 103, the same mark as reported at Fort Smith, Pine Bluff and Blytheville. It was 104 at Walnut Ridge.

The Weather Bureau in Baltimore said high temperatures since June 27 have averaged 95.2 degrees, not including Wednesday's 100.

The previous heat wave in the city was in 1939 when high marks for 24 days averaged 95.5.

UAW May Seek New Contracts

DETROIT (AP)—The United Auto Workers has proposed reopening its contract with the nation's three largest car makers, hoping to win pay increases for 250,000 skilled tradesmen.

Neither General Motors Corp. nor Ford Motor Co. nor Chrysler Corp. has replied to the request. Walter Dorosh, president of UAW Local 600, said Wednesday.

The union's contracts with the Big Three auto firms do not expire until September, 1967.

Today's Chuckle

The average taxpayer is the first of America's natural resources to be exhausted.

Cavanagh Pushes Campaign In U.P.

By JEAN WORTH
Detroit Mayor Jerome Cavanagh comes to Escanaba today to campaign for the Democratic nomination for U.S. senator in the Aug. 2 primary as his contest with former Gov. G. Mennen Williams, which has been lackluster, is heating up.

Cavanagh has been a dynamic mayor in Detroit: so much so that he has gained national stature. The city has been especially close to the federal government and its War on Poverty programs and with expert preparation of projects and close liaison with Washington has grabbed off a disproportionate share of Michigan's allotment in the economic opportunity program.

Leaders of the Democratic party in Michigan hoped that politically ambitious Mayor Cavanagh would run against Governor Romney, but he chose instead to oppose six-time governor G. Mennen Williams, who left his office as undersecretary of state for African affairs to be available for the Senate.

Williams refers to five-time

Congressman Robert Griffin, (R-Traverse City) who was appointed by Governor Romney to the Senate seat vacated by the death of Senator Patrick McNamara (D-Detroit) as "that temporary, interim, junior Republican senator of Michigan."

Michigan Democratic party leaders considered Soapy Williams a shoe-in for the party's nomination for the Senate before Cavanagh entered the primary and they still consider him a very heavy favorite to win the nomination. He has nearly all the party's machinery going for him while Cavanagh and his staff have had no outstate political exposure. Old party loyalties are with Williams.

In this situation Cavanagh has had a hard time drumming up lively campaign ideas to make it a horse race with Williams. He's a younger man and has been well identified with the dynamics of industrial

politics during the past half decade while Williams has been commuting to Africa. Soapy has an image in Michigan of being a governmental free spender after 12 years in the governorship, but Cavanagh makes him look a bit like John D. Rockefeller passing out dimes in today's image market.

No Ideas

The Detroit Free Press editorializes "Williams sells an image but not ideas or answers." It charged that Williams is responsible for the "no-contest" on the Democratic ticket in the primary.

"Williams has shown more interest in shaking hands than in stimulating brains. From his point of view it may be wise politically. Hand-shaking is his long suit. Michigan voters aren't being educated. They're being bored."

The Detroit News says Cavanagh makes Williams look like a "hidebound conservative." Cavanagh has assailed both President Johnson and Williams for "locked in the past" economic theories and the News says that if Williams is "out of touch," as Cavanagh accused him of being, that Cavanagh is "out of this world" with his own anti-inflation program. He has urged that all fixed federal incomes, such as social security and unemployment compensation, be tied to a federal cost of living index. This, the News says, would be inflationary in itself and would worsen the burden of all those on fixed or slowly rising private incomes. The mayor's program follows the familiar "something for everyone" line without regard for repercussions.

Briefly Told

SPESQSA Singers meet this evening at 8:01 at Carpenters' Hall for regular rehearsal.

An immunization clinic will be held Friday afternoon from 2 to 4 at the Delta County Building.

AMVETS Post 123 will meet today at 8 p.m. in the Post Home, 1311 N. 21st St. After the regular meeting, nomination of officers will be held.

Traffic court summonses have been issued by Escanaba police to Carol Ann Ogren, Bark River Rte. 2, and to Alice Mae LaChapelle, 318 N. 18th St., both for speeding.

Marriage license applications have been made at the County Clerk's office by Frederick Rudolph Kicker, Escanaba, and Tomoe Taylor, Escanaba; Peter George Vannenberg, 601 Delta Ave., Gladstone, and Margaret Maryann Andrews, 1518 23rd Ave., N. Escanaba; Michael John Lailch Jr., 1818 Montana Ave., Gladstone, and Mary Lee Brunelle, Bark River.

THE NEED FOR BLOOD NEVER TAKES A VACATION

Bloodmobile To Arrive July 19

There's a need for blood no matter what the season, it is pointed out by the Delta County Chapter, American Red Cross, in announcing the upcoming visit of the bloodmobile to the county on July 19, 20 and 21.

Before going on vacation (or while you're on vacation for that matter) remember the Red Cross blood program's procurement clinic hours:

At Gladstone on Tuesday, July 19, from 3 to 7 p.m. at the James T. Jones School.

In Escanaba at the Teamsters Hall on July 20 from 2:30 to 7:30 p.m.; and on Thursday, July 21, from 10 a.m. to 3 p.m.

Traffic accidents increase in the summer months and with

them the need for blood, the Red Cross points out.

As members of the blood program, Delta County residents will receive free blood anywhere in the U.S. or Canada. The only cost to the patient is the hospital's fee for administration. Accidents happen at vacation time, and blood donors can feel they have helped themselves as well as others of the community by giving blood before leaving on a vacation trip.

Cecil Chase, president of the Delta County Chapter of the Red Cross, reported that 84 units of blood were administered to patients at St. Francis Hospital in May, and 63 more to Delta County patients in other hospitals, a total of 147 pints used in the month.

Chase noted that if everyone would make it a habit to donate blood four or five times a year "the normal needs would be met and there would be ample blood on hand for all emergencies."

The Red Cross nationally collects some 2,775,200 units of whole blood each year from volunteer donors.

Board To Hold Merger Hearing

BARK RIVER — The Bark River-Harris Board of Education and Supt. Richard Hendra will lead discussion on the proposed merger of the Escanaba Area and Bark River-Harris school districts at a public hearing at 8 p.m. today in the multi-purpose room of the elementary school.

Vote on the question is scheduled July 25. The Bark River-Harris school board has endorsed a "yes" vote for the election. The Escanaba Area Board recommends a "no" vote.

Purpose of the meeting will be to discuss the question and air facts.

In its regular meeting this week, the Board of Education authorized Hendra to issue bid specifications for fuel oil, gasoline and fleet insurance for 1966-67. Bids will be opened at the Aug. 8 meeting.

The new operating budget for the district was also discussed, but no action taken pending outcome of teacher salary and contract negotiations. Hendra indicated the budget would be near \$270,000 — an all-time high for the school district.

Fair To Honor Safety Patrols

School Safety Patrol boys and girls from communities throughout the Upper Peninsula will be guests of the U.P. State Fair on Tuesday, Aug. 16. It was announced today by Cliff Perras, fair manager.

More than 3,500 members of Safety Patrol units will be honored for their work in promoting traffic safety.

At the 14th annual Safety Recognition Day at the U.P. State Fair, Safety Patrol students and their supervising teachers attend a special honor program sponsored by the Michigan Automobile Club with the cooperation of the Michigan State Police and the State Fair Board managers. Sgt. James Somers of the Michigan State Police Post in Marquette will supervise the program.

"The purpose of this program is to publicly honor the hundreds of boys and girls who devote many hours to school safety during the year," said Sgt. Somers. "Last year more than 3,000 registered for the event and the number will be even greater this year, with representatives from every community in the Upper Peninsula."

Boys and girls upon arriving at the Fairgrounds will be given a ticket entitling them to a picnic lunch and free midway rides. A 50 cent ticket will admit them to the grandstand show at 2:15 p.m. to see Lucky O'Hare's Auto Thrill Show.

The picnic is scheduled for 4 p.m. and the young people will be fed gallons of milk, soft drinks, buns and wieners, ice cream and other picnic fare. All food is provided through the cooperation of the Coca Cola Bottling Co., Bunny Bread, Bancroft Dairy, Cohodas Brothers and the Vollwerth Sausage Co., furnishing the foods at half price to the Fair Board. The youngsters depart for their homes by bus at 6 p.m.

School Revamp Election Nears, Ballots Ready

Hagle Quarnstrom, Delta-Schoolcraft Intermediate School District superintendent, said today that absent voter ballots for the special school reorganization election July 25 are available.

Some of the local school districts have application blanks for absent voter ballots, he said.

"If your local school district does not have blanks, they are available by writing to the Intermediate School District office. When returned, the ballot will be issued."

Voters will consider proposals to consolidate 19 school districts in the two-county area into four.

The proposed districts are: Escanaba and Bark River-Harris; Gladstone, Flat Rock, Brampton, Rapid River, Rock and Perkins; Cooks, Garden, Fairbanks and Nahma; and Manistique, Thompson, Hiawatha, Fairview, Doyle, Mueller and Germfask.

Boards Speak
The only active public discussion on any of the proposals has come from Escanaba and Bark River where the respective Boards of Education have taken opposing stands, Bark River in favor and Escanaba against.

Quarnstrom said he was not aware of any other statement on the election made by other Boards of Education.

In event of passage where

Schaffer

Baseball Standings
The standings of the Schaffer Baseball Club through July 10 is as follows:

Team	W	L
Tigers	6	0
Yanks	3	2
Cubs	3	2
Braves	2	3
Giants	2	4
Colts	0	6
Team	W	L
Larks	4	0
Blue Jays	3	1
Hawks	1	3
Rens	0	4

two or more high school districts are involved, the existing school districts would be dissolved, a new board of education appointed and all presently levied extra-operating millage would have to be re-voted.

Quarnstrom said this is not the case in the Manistique proposal because Manistique is the only high school district and is considered to be expanding to include the outlying township school districts.

The Manistique Board of Education would be the governing body for a new district, if approved, he said.

Millage Issue
In the other three consolidation proposals, approval would mean the Intermediate Board of Education would appoint an interim Board of Education for the district. This interim Board would then set up a special election to elect a new Board of Education and also vote on operating millage.

All of the school districts involved have voted extra operating millage ranging from a low of 3.0 mills to a high of 8.0 mills.

Deadline for revoting operating millage for this year's tax rolls is Sept. 15. Anything voted after that date could not be levied this year.

The proposals under consideration were developed by a two-county reorganization study committee appointed by the Intermediate Board of Education under direction of Public Act 239 of 1964. The plan was approved by the state reorganization committee on Feb. 25, 1966.

Harden Heads Michigan Week

Dr. Edgar L. Harden, president of Northern Michigan University, Marquette, is the 1967 general chairman of Michigan Week.

His election by the board of governors of the Greater Michigan Foundation was announced today by Foundation's President Dale I. Sellers. He had been nominated by the past general chairmen to head the state-wide committee organization that will number at least 10,000 people by sometime in the fall. The 14th annual Michigan Week will be next May 21-27.

"Ed Harden is one of the Midwest's outstanding educators and university administrators and is deeply devoted to Michigan's progress," said Sellers, who is senior vice president of the Bank of the Commonwealth, Detroit and who was the 1964 general chairman.

Dr. Harden became president of Northern in 1958, when the enrollment was 800 students. It will be 6,500 this fall. He had been dean of continuing education at Michigan State University. He is a director of Panax Corp., which publishes the daily newspapers at Marquette, Escanaba, Iron Mountain and Mt. Pleasant, and of the Union National Bank at Marquette, and is president of the board of Lake Superior & Ishpeming Railroad.

He is the second state chairman of Michigan Week from the Upper Peninsula. The 1955 chairman was the then president of Michigan Tech at Houghton, Dr. Grover Dillman.

To make a distress signal, deep-sea divers hold up four fingers or rap on an object four times.

STATE Representative Dominic Jacobetti of Negaunee today announced his candidacy for re-election on the Democratic ticket in the 108th District. It includes Alger, Baraga and Marquette counties, Baldwin, Cornell and Maple Ridge townships in Delta County and Seney Township in Schoolcraft County. Jacobetti, 44, is a representative of the United Steelworkers of America and has served 6 terms in the Legislature. He is on the House Policy Committee and is associate speaker pro tem of the House.

Munising Acts To Curb Bikes With Curfew

MUNISING — Responding to complaints which are becoming more numerous throughout the state, the Munising city commission has adopted a resolution to control operation of motor driven cycles.

A curfew on use of the cycles — prohibiting them from being operated on streets and alleys between 11 p. m. and 6 a. m. — is the principal feature of the resolution. In addition, it sets a 25 mile speed limit, prohibits them from being driven more than two abreast, and provides that not more than on passenger be carried on a permanent seat.

The commission, noting that 100 calls had been received recently by police because the cycles were creating excessive noise late at night and early in the morning, promised "more stringent measures" if the new regulations prove inadequate.

First recorded attempt to teach a deaf-mute in the United States was in Massachusetts in 1679, according to the Encyclopaedia Britannica.

EHS Class Of 1941 Holds 25th Reunion

An enjoyable and successful 25 year reunion of the Escanaba High School class of 1941 was held Saturday evening, July 9, at the Dells Supper Club. The cocktail hour began at 6:30 p. m., after which pictures were taken and dinner was served.

Presiding as toastmaster for the banquet program was Keith McDonald, and the invocation was given by William Mulvaney. George Ruwisch, who was the class advisor, was the guest speaker for the evening. Mr. Ruwisch is now superintendent of schools in East Grand Rapids.

Class members attending from out of town were Paul Anderson, Santa Rosa, Calif.; Edith Bennett, McLeod, Mil-

waukee; Harry Boyle, Detroit; Phyllis Brower Spade, Rockford; Anabel Carlson Okopny, Utica, Michigan; Leatrice Davis Schiel, Milwaukee; Kathryn Anderson Dahl, Bark River; Margaret Clouse Hughes, Gladstone; Noelle DeRocher Chénier, Ford River; Lucille Derouin Choler, Bark River; John Dupere, Hampton, Va.; Arne Erickson, Bell, Calif.; Thelma Flink McChesney, Grand Marsh, Wis.; Lloyd Frick, Milwaukee; Mary Alice Froberg, Chicago; Lucille Goodreau Derouin, Muskegon; William Howe, Manistique; Dorothy Hurley Plainer, Beleville, Mich.; Joyce Johnson O'Donnell, Green Bay; Robert Kelly, Washington, D. C.; Norman Kincaid, Buffalo, N. Y.; John LaCombe, Garden Grove, Calif.; Francis Lehoullier, Grand Rapids; Gerald Lehoullier, Dayton, Ohio; Helen Anderson, Santa Rosa, Calif.; Ann Lewis Williams, Gladstone; Mary Lundgaard, Kansas.

Schmidt, Indianapolis; Rosemary McDermott Butner, Tucson, Ariz.; Keith McDonald, Menominee Falls, Wis.; Anita Mathison Lachine, Green Bay; Milton Miller, Beachgrove, Ind.; Robert Morin, Braidwood, Ill.; Margaret Nelson Westenfeld, Flint; Jane O'Connell Bennett, Hinsdale, Ill.; Margaret Pederson Graese, Milwaukee; Dorothy Peterson Long, Park Falls, Wis.; Mr. and Mrs. Don Pfothauer, Gladstone; Leo Arliss Prevost, Rock Island; Robert Roberts, Franklin Park, Ill.; Robert Saterm, Fairborn, Ohio; John Schroeder, Gladstone; Bernice Skoog Marshall, Gladstone; Helen Solis Jards, Northlake, Ill.; Philip Stein, Ishpeming; Marie Theoret, Milwaukee; and Alvina Van Stratton Staat, Milwaukee.

Wichita is the largest city in Kansas.

Kavanagh And Smith Announce For Re-election

LANSING — Chief Justice Thomas M. Kavanagh and Justice Otis M. Smith are bidding for new eight-year terms on the Michigan Supreme Court.

By filing affidavits and candidacy under a new procedure, they clinched berths on the Nov. 8 general election ballot.

Both Kavanagh, 56, and Smith, 44, won nomination in previous years by the Democratic Party in state convention, and are expected to receive such endorsement again this summer.

Challengers are sure to emerge from the Aug. 26-27 Republican state convention in Detroit, however.

Although Supreme Court justices are elected in nonpartisan balloting, the nominating

procedures establish a clear-cut political identification. On this basis, the present division is 4 to 3 Democratic, with Justice Eugene Black unclassified. Black, once a Republican, last was elected as a Democrat but has voted lately with the Republican minority.

The flowering dogwood is the official tree of Missouri.

Candidate

PORT HURON AP—State Rep. Raymond Wurzel, R-Port Huron, said Tuesday he will be a candidate for nomination to the State Board of Education. Wurzel is finishing his 10th year in the Legislature and has been chairman of the House Education Committee for the past six years. He announced earlier he would not seek re-election.

Swift's Premium New Improved Franks.

They're the newest in town. We believe they're also the plumpest, juiciest, meatiest, tastiest franks in the whole world! How's that for being dogmatic?

Hot dog lovers everywhere agree with us. At our Research Center folks were grilled—so to speak—as to which of the leading brands of franks delivered the best flavor. Swift's Premium franks were preferred every time, even when we loaded them up with mustard, relish, catsup, onions and you-name-it. They proved what we knew all along: good taste will tell... you'll be able to taste the difference, too. This coupon is worth 12¢ off the price of either the 8-to-the-pound or 10-to-the-pound package. Use it today for Swift's Premium New Improved Franks. See if our dogs don't become your best friend.

STORE COUPON 12¢

12¢ OFF

12¢ off the regular price of a package of Swift's Premium Franks.

MR. DEALER: Send this coupon to Swift & Company, Coupon Redemption, P. O. Box 1030, Clinton, Iowa, and it will pay you 12¢ plus 2¢ for handling provided redemption is made in accordance with terms hereof. Coupon shall be accepted only with the sale of Swift's Premium Franks. They are not to be transferable. Invoices covering purchase by you must be submitted upon request. The consumer must pay any sales tax involved. This offer void wherever restricted. Cash value of this coupon is 1/20th of 1¢. SWIFT & COMPANY. Good only on brand(s) specified—Any other use constitutes fraud.

Helping City Growth

Only the persons actively engaged in the business of trying to bring new factories and jobs to town know how difficult it is.

Most communities have advantages of some sort to offer a manufacturer with a factory to locate somewhere, so that when he comes to final decision on site he has several options.

Communities in the search for smokestacks get much help from agencies like the industrial promotion departments of utilities, which stand to benefit from plant locations because they get new customers.

Horace L. Brewer, director of area development for Consumers Power Co. at Jackson, says that there are hundreds of people trying to sell their home towns or home states to a comparatively few industrial and business concerns and that this is fine, as far as it goes. But, he suggests, it doesn't go far enough.

The second step and the key to success in this competition, says Brewer, is develop their communities as well as to "sell" them.

"The efforts of many of these people might better be spent improving the product they have to sell—their own communities," says Brewer.

"We have to have an awful lot of good people working awfully hard in all our communities to make area development what it really should be. Then our area development professionals would have just about half their work done for them.

"Nearness to market? Available manpower? These are partly needs peculiar to one industry, but not to another. I don't expect to see cotton mills in Michigan, for example.

"But modern conveniences like paved streets? Fire Departments? Libraries and concert halls? These are things the people already living in our communities can control to a very great extent—and things that we should all be working on. They are the basis for real growth in any community, small or large."

Brewer said that many communities still need and are waiting for good leadership in solid projects to upgrade and polish the entire community.

American life is changing tremendously. Our cities are changing, too, or should be. The little ones tend to dry up and the bigger ones to grow in size and problems. Regional concepts of governmental organization are coming strongly to the fore.

All Upper Peninsula counties are now linked up with others in school organization, public health departments or other programs. This is the trend and it increases. Not many years ago a county sent a representative to the Legislature. Now there are more people in some of our larger counties than ever before, but none of them has a representative any more. They share one with other counties. The whole eastern half of the Upper Peninsula shares a state senator with counties in the top of the Lower Peninsula.

We're adjusting to these changes, but they present opportunities as well as problems and the growth that they produce tends to go to the communities which are most active and assertive in self-improvement.

Community appraisal should consider the opportunities now available, as well as improvement over the past. On this judgment we may be progressing a bit, but actually slipping in terms of potential.

Pressures On Reagan

By BRUCE BLOSSAT
WASHINGTON — (NEA) — Some very strong-minded conservative Republicans think Ronald Reagan should quickly announce that if he wins the California governorship in November he will not be a presidential candidate in 1968.

A few fear that if he does not do this he might be seriously hurt this autumn by Democratic Gov. Edmund G. (Pat) Brown's certain portrayal of him as a man uninterested in serving a full term in Sacramento.

One western Republican privately predicts that within California, from many quarters, the pressure on Reagan to take himself out of 1968 will amount sharply in the weeks ahead.

The larger aspect of this, however, is the conviction of many conservatives friendly to Reagan that 1968 is simply too soon—that he has to prove himself as a big-state governor, if he gets the job.

Typical of this view is Tom Stagg, GOP national committee member for Louisiana, who is something of a bellwether for southern conservatives within the party.

Stagg believes that any early push for Reagan would roll waters in the South and other areas that today are being nicely smoothed for Richard M. Nixon.

Nobody in party leadership positions questions that Nixon will be strengthened as the conservatives' choice if Reagan rules himself out. But at this stage it cannot be regarded as automatic that Nixon would be handed California's 90-odd 1968 convention delegates on a Reagan platter. And they could be key to Nixon's hopes.

A top California Republican told some of his party associates at the recent GOP National Committee meeting here that Nixon, for all his heralded service to the Goldwater cause in 1964, is still not in high favor in his old home state. Well-remembered is his 1962 defeat at Brown's hands.

An elected Reagan asserting strong state leadership could very likely force the situation over Nixon, if it came to that. He could lock up the delegates by declaring his favorite son status. A primary challenge from Michigan's Gov. George Romney would, in those circumstances, be improbable.

Reagan thereafter could plan an appropriate delivery of delegates to Nixon.

Any less firm show of authority by Reagan might open the way for a breakoff of some delegates for the moderates' choice, Romney.

The matter might prove a bit tantalizing for Reagan. He has had astonishing success so far in persuading not only many California voters but also quite a few seasoned party professionals that he has moved away from hardrock conservatism. The national committee meeting reflected this in corridor conversations.

To win over Brown, Reagan himself declares, he will have to move even farther to the center.

Should he be elected, the hard necessities of coping with a \$4 billion-plus budget might give Reagan a still more moderate look. In a state with population careening upward, he would be sitting on a cauldron of problems unmatched anywhere in the nation.

Quotes

The notion that one can cause people to abandon their ideologies by inflicting pain on them should have died in Rome with the Christian martyrs.

REFLECTIONS

From Wasa Wasa, on the Escanaba River:

We have now sojourned in the wilderness, since the middle of May. We have made a few excursions to Escanaba and elsewhere to bury the dead and to preach the Gospel. We also sojourned for a few days at St. Francis Hospital, where we went for repairs to the old chassis. We are greatly indebted to the hospital personnel and the doctors for good care and expert service.

We have been impressed with the "Silent Spring", which we have experienced for the first time. We had a couple of blue jays, which was the sum total of wildlife present adjacent to our cabin. There was not, and is not a chipmunk, a squirrel, or a deer mouse about. The absence of deer mice is particularly impressive, because as a usual thing we had mice in the cabin after the long winter. This spring, not a mouse or a mouse droppings. To date we have only one red squirrel and a pair of phoebes.

We have in the meadow west of our cabin, a lonely white-tailed dove with a neck as long as that of a giraffe. We have also two yearlings. For some weeks these three lonely specimens spent their days lying about in the lush grass of the meadow. At present they are not to be seen. We believe that one reason for their disappearance, is that one of the yearlings became the mother of twin fawns. We caught a glimpse of these children of the wilderness one morning when we were wandering around shortly after the break of day.

The trout fishing has been more than disappointing. During the high water it would have been unwise to attempt fishing. When the water receded, we did make the attempt. We fished early mornings and late evenings, without getting a strike. One afternoon we did succeed in taking four rainbows. That is the total of trout caught thus far. We figure that we spent more than 50 hours to catch these trout.

"Quality fishing" is not going to become a reality on the Escanaba River by posting signs and using slogans. We think we are familiar with every hole, every rapid, every ripple, from Boney Falls down to beyond the Public Fishing Site. In the past we have taken trout in most of them. At present the trout are conspicuous by their absence.

From conversations I have had with other fishermen dedicated to the Escanaba River, I would assume that there has not been 50 trout taken out of the Escanaba River in the Cornell area this season. Perhaps, the powers that be, would plant 500 rainbows and 500 brownies, the fishing would come back. It would seem that it is not too much to ask, when the powers that be keep pouring trout into ponds and lakes where the fish are taken out as fast as they are put in.

The same total of mosquitoes to the square yard this spring is about the same as the sum total of the national debt. I have been pondering the question:

Which is more annoying, the mosquitoes or the national debt? The national debt won't leave the present crop of dive bombers to our grandchildren and great grandchildren. We will leave the legacy of the national debt to our children's children and they will have to pay through the nose.

The Good Book says that: "Future generations will rise up and count us blessed." I hardly believe that prophecy will be fulfilled. My feelings is that future generations will look back upon the homopians of the 20th century and ask: "How could any people have been so extravagant and so stupid?"

Karl J. Hammar

TRUTH IN PACKAGING

Some three years ago, a writer for Harper's Magazine started off a story on the Truth in Packaging Bill like this: "One of these days—with a little luck and some prodding on Capitol Hill—the packagers of soap flakes are going to be forced to adopt the high moral standards of bourbon distillers."

The bill has had some luck. President Johnson provided some prodding and the Senate passed the measure by a 72-9 vote. The bill will become law the House acts before the end of the year.

Liquor stores are probably the easiest places in town to do comparative pricing. The bottles may come in different shapes but each will hold a fifth of a gallon and by studying the prices under each, the shopper can readily tell the lowest cost brand.

Compare that to the difficulty of finding that least expensive instant coffee among a dozen brands all at different weights and prices. Who has time to divide price into weight 12 times over? Most shoppers just give up and make a guess. University experiments have shown that very often the guess is wrong.

The most important and the most controversial section of the bill will deal with this problem. It would allow the government, in cases where industry fails to act voluntarily, to set standard weights and measures in which product lines may be sold.

Other provisions:

1. Net weight must be prominently printed in contrasting colors on the front panel of each package.

2. If the product weighs less than four pounds or measures under one gallon, the net weight must be stated in ounces.

3. No more misleading size designations such as "giant half quart." Regulatory agencies are also authorized to substitute "small", "medium" and "large" for less meaningful adjectives such as "jumbo", "family", "economy-sized" and "mammoth."

4. Allow the establishment of "servings" standards in certain product lines.

5. Require more complete ingredient information. Today, for example, a manufacturer of maple syrup can simply state his product contains both maple and cane sugars. To a shopper it would be useful to know in what percentage.

6. Ban "cents-off" deals on products where it is shown that no real savings is passed on to the consumer.

Economists estimate that the bill could save the average shopper about \$200 a year.

U. S. Senator

The Doctor Says:

Growth Rate Not Determinant

By Dr. Wayne G. Brandstad

When you have a tumor the first thing your doctor tries to find out is whether it is benign or malignant. In general, benign tumors, which include cysts or hollow tumors filled with fluid and solid tumors, feel spongy or rubbery. Malignant tumors, which include all forms of cancer, have a stony hardness.

The rate of growth of a tumor rarely helps to place it in the benign or malignant class but, although a benign tumor may attain a great size, it never extends beyond the tissue capsule that separates it from other organs. A malignant tumor, on the other hand, even when it is still quite small may be found on microscopic examination to have invaded the tissue of an organ adjacent to the one in which it started. That is one reason your doctor likes to take a small piece (biopsy specimen) for microscopic study.

Another reason for a biopsy is that a trained pathologist can often differentiate between the cells in a benign tumor which look like normal cells of the affected organ and malignant cells which are abnormal even for the organ of their origin.

Cancers have another unfortunate characteristic—they metastasize. By that we mean that a few cancer cells may break away from the original or primary tumor, enter the

People, Events Of Yesteryears

From the files of the Escanaba Daily Press

10 Years Ago

"Either Escanaba was the acknowledged Walleye Capital of the world or just Ask Gust Asp was one of the best known men in the country or both. A card was delivered without delay to Gust Asp although there was no Escanaba address. It was from I. R. Peterson, M. K. Oslund, Mabel Oslund, W. D. Johnston, Helen Johnston of Escanaba and R. D. Clymer of Bay City, Mich., and was mailed in Roanoke, Virginia."

Virginia Thompson and Theresa Tebear, Escanaba Camp Fire Girls were among the Escanaba Camp Fire Girls who distributed posters urging cooperation in the current program of tuberculin testing in Escanaba to detect tuberculosis.

25 Years Ago

Along the waterfront, The Puritana, the old gray-colored former Sea Scout's boat, equipped with a six-cylinder motor, after a winter and spring on the yacht basin ways, was being repaired by owner Ben Gagnon, Harbormaster Emerson Kidd reported. Gagnon planned to put the craft in the water sometime that summer.

The classification held by Jim Rouman, Escanaba High School track and basketball coach, and Carl Kant, coach at St. Joseph's parochial high school, under the army draft, were announced by Denis McGinn, chairman of the local draft board. There was no danger of their being drafted next term.

BARBS

By WALTER C. PARKES
Life is so fast today you're lucky if you can forget your troubles before the next batch arrives.

When the War on Poverty succeeds, everyone's income will be above the average.

Pity the miser. Today he just sits and watches his hoard of dollars shrink in value.

When your legs go bad and you can't rush around like you used to, you find you get there just the same.

TOMB IN CAPITOL

A tomb beneath the rotunda of the U. S. Capitol was built for the express purpose of holding the remains of George Washington and his wife. The tomb was authorized by Congress in 1799 to commemorate the great events of Washington's military and political life.

Ann Landers

Sister Doesn't Need Sleepy Time Talking

Dear Ann Landers: I am a girl who is twelve years old. My problem is six years old. She is my sister.

My mother made a rule some time ago that I have to put my little sister to bed. This means help her get her clothes off, see that she puts them away, make sure she has a good bath, and then tell her a bedtime story and lie down on the bed with her until she falls asleep.

Sometimes all this takes two hours, because after the bedtime story she wants to talk a blue streak. My mother has given me orders to stay with her until she is off to dreamland. Well, I am pretty sick of it.

There is some good stuff on TV between 7 and 9 P.M. and I have telephoning to do. Also, I like to read to myself. I told my mother that I can't lie down with my sister until she gets married and it's time she got to dreamland on her own.

Please be on my side and help me. — TROUBLE IN CORNING, N.Y.

Dear Trouble: You sound like a very nice girl and I am going to try to help you — part way.

I think you should get your little sister ready for bed, and it's lovely of you to do all the things you mentioned. BUT, after the bedtime story you ought to say "Good night" and leave the room. A six-year-old girl should not need someone to talk her to sleep every night, which is what you are doing.

Dear Ann Landers: Your advice to the girl from Quebec who complained about excessive perspiration from her hands was not up to your usual standards. When you spoke in Canada you said that you consult with authorities in a variety of fields. Who was your authority on that one? A plumber?

The medical diagnosis of the condition described by the girl is "hyperhidrosis." It can be corrected by surgery. Why did you tell the poor kid to go to a skin specialist? Hers is not a skin problem. Get with it, Ann, will you please? — A DISAPPOINTED READER

Dear Disappointed: I suggested a skin doctor because often this condition can be corrected by anticholinergic drugs. A dermatologist knows about these things.

If the drugs do not work, the surgical procedure you mentioned can be performed in extreme cases. The operation is called a sympathectomy. The surgeon severs the nerves which control the sweat glands in the hands, terminating the perspiration problem.

Dear Ann Landers: My close friend was planning to marry a man she loved deeply. His wife divorced him seven years ago. Ten days ago the man dropped dead of a heart attack. When my friend arrived at the funeral chapel she saw her sweetheart's ex-wife seated in the front row with the other members of the family. She was dressed in black from head to toe and appeared to be the chief mourner.

Is it proper for an ex-wife to show up at the funeral of her ex-husband? Shouldn't she stay away if she knows there is another woman in the picture? — REPLY REQUESTED

Dear Reply: There's no reason an ex-wife should not attend the funeral of her ex-husband if she wishes to. But she should not be decked out in widow's weeds nor should she be seated with the family unless she is invited.

If you have trouble getting along with your parents... if you can't get them to let you live your own life, send for Ann Landers' booklet, "Bugged By Parents? How To Get More Freedom." Send 50c in coin with your request and a long, stamped, self-addressed envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped, self-addressed envelope.

Questions And Answers

Q—What metallic element is sometimes called "quick-silver"?

A—Mercury.

Q—What South American frog exudes the world's deadliest known poison?

A—The black-and-gold Kokoi frog. Indians get poison from the frogs for their blowgun darts. The secretion from one of the inch-long amphibians yields enough poison for 50 darts. There is no antidote. Dried venom has remained lethal for 15 years.

U. P. Writers Weekend At NMU

Stellanova Osborn Cited

Mrs. Stellanova Brunt Osborn, widow of Chase S. Osborn and famed in her own right as lecturer, editor, author and NATO crusader, returned to the Upper Peninsula from Washington, D.C. to attend the writers' conference held on campus at Northern Michigan University, Marquette, July 8-10. She received special recognition and a plaque, an annual award given to an individual who, through writing, contributes substantially to the stature of the Upper Peninsula.

Mrs. Osborn, who maintains a home on Sugar Island in the St. Mary's River below Sault Ste. Marie, is a magna cum laude and Phi Beta Kappa graduate of the University of Michigan, where she earned her master's degree. Widely known for her poetry, including the north country's "Iron and Arbutus" and "Polly Cadotte," and for her co-authorship, with Governor Osborn, of a number of books in the fields of history, geography, and literature, she has published seven books of her own.

"I travel, organize and write" is how she describes her duties as founder and vice-president of the International Movement for Atlantic Union. Headed by a roster of noted world leaders, it aims to organize the 15 NATO countries into a federation to present a united front against Communism.

Since 1958, when she started the movement, she has pioneered

ed in 16 of the 50 states of the union and 14 of the 15 NATO countries.

Pulitzer Prize Winner
Friday evening, Northern Michigan University presented W. D. Snodgrass as guest lecturer in the University Center, where all sessions were held. Snodgrass, Wayne State University professor whose book, "Heart's Needle," won the Pulitzer prize for poetry in 1960, has won special praise from the Pulitzer and other committees for the quality of his poems, translations, and essays.

In lectures and poetry workshops throughout the conference, Snodgrass presented readings of his work and examined the ingredients and techniques employed in perfecting the modern poem. "Tact in handling details," he said, "is the poet's most tremendous problem."

Keynote speaker for the opening session on Saturday morning was Karl Zeisler, University of Michigan journalism professor, who told conferees that no matter what information media is employed, it remains for the newspaper to bring all information together. "The home town press," he said, "is still the glue of the community, sticking everything together and keeping everyone informed about what everybody else is doing."

Reading, Research
Zeisler has been a successful freelance writer since 1935. He emphasized the importance of extensive reading and research, careful manuscript

planning and preparation, and knowledge of editors' requirements for writers hoping to see their work published in magazines.

Robert Wester, instructor in the department of English at NMU, displayed samples of literary work prepared by inmates of the Branch Prison at Marquette. Copies of the prison's two publications, "Weekly Progress" and "The Beam" and original drawings by prison cartoonists were studied.

Miss Josephine Curvey, instructor of psychology at NMU and specialist on children's stories, was workshop leader and consultant in that capacity.

As an example of the kind of unpublished historical and biographical works being preserved by the Marquette County Historical Society, Miss Ann Hilton, of Marquette, read her manuscript on the life of Caroline Watson Rankin, of Marquette, noted juvenile writer. Mrs. Rankin, who is known for her "Dandelion Cottage" series of books, died in 1945.

Poems Read

At Saturday evening sessions, conferees read their unpublished poems and short stories and received informal criticism. Karl Zeisler was consultant and Dr. Earl McIntyre, professor of English at NMU, was moderator for the short story session. W. D. Snodgrass was consultant and William J. Finlan, president-elect of the Upper Peninsula Writers and conference planner, was moderator for the poetry division.

Dr. Albert Burrows, recently retired professor of economics and sociology at NMU, and former minister of the United Church of Christ, presented a religious paper to the conferees meeting in general session Sunday morning.

Robert Clark, Marquette, was conference poet and presented linericks in which he summarized the sessions.

The Upper Peninsula Writers, composed of writers and would-be writers from throughout the state, sponsored the conference with cooperation from Northern Michigan University and the University of Michigan.

MRS. STELLANOVA OSBORN, widow of the late Chase S. Osborn of Sault Ste. Marie, and famed in her own right as lecturer, editor, author, and NATO crusader, was presented with a plaque in recognition of her literary efforts by William Finlan, president of the Upper Peninsula Writers' on the last day of their conference July 9-10 at Northern Michigan University, Marquette.

Freedom Role Seminar Topic

Dr. Clifton Ganus, president of Harding College, Searcy, Ark., spoke at the Citizenship Seminar Wednesday on the "Moral Foundations of Freedom."

He reviewed the Bill of Rights and encouraged Americans to believe in man and God, be optimistic and to carry this message to fellow Americans.

Dr. Ganus was unable to stay and give his second lecture because of a plane tie-up.

Two films followed. Dr. Ganus was narrator of the first entitled "The Fall of Nations," in which the decline of great civilizations such as Egypt, Rome and Greece were discussed. All fell prey to political, economic and moral decay because people didn't treasure individual freedom, and should be a lesson to Americans, the speaker said.

The second film was the true revolution which continued the theme of individual freedom. It compared the ancient civilizations to America's founding and superiority of its constitution.

Before adjournment, Hugo Kivi, leader of the seminar, asked for comments. The audience agreed that the seminar should be continued, but the time was bad since many interested people were out-of-town, too hot, or not informed. However, Kivi said the seminar is held in conjunction with one downtown and July is their month.

The question of finance was said to be the big one. Letters were sent to service organizations in Delta and surrounding counties, but no satisfactory reply was received, Kivi reported.

Seagull Sets Course Record

Seagull sailboats rode a strong north wind to record performances in the first race of the second series of the Escanaba Yacht Harbor Wednesday evening.

Skip Zimmerman and Tom Lewis piloted their boat to victory in the new record time of 59 minutes for the triangular course that measures four and a quarter miles on a direct line. They crossed the finish line only four feet ahead of Bill Boyce and Paul Nelson.

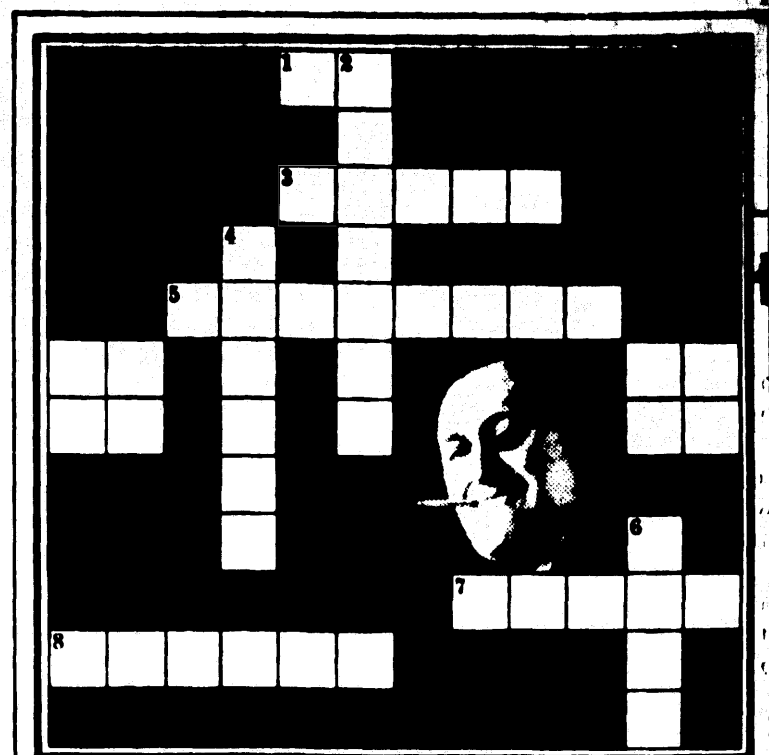

The strong winds pushed the Seagulls at speeds up to 7 1/2 miles per hour to produce the spectacular finish to the race.

Following the first two boats home were Dean Shipman and Harold Cloutier, Pete and Judy Boyce, Pat Gasman and Henry Vanbrusell, John Bissell and

Dave Lark, Steve Makl and Terry Reynolds.

The next race in the series will begin at 2 p. m. Sunday.

Christy Mathewson, baseball pitcher of the past, once was a football star for Bucknell College.

School Change Is Explained

RAPID RIVER — A small group of interested citizens met at the Rapid River Elementary School, July 7, and heard an explanation of the proposed consolidation plan for Baldwin, Brampton, Maple Ridge, Escanaba Township (Flat Rock), Gladstone and Rapid River School Districts.

Officials attending the meeting were Carl VanRemortel, Fayette, Carl Ahlin, Bark River, members of the Delta Schoolcraft Intermediate District School Board; Leo Brunelle, Flat Rock School superintendent; Walter Peters, Rapid River Schools' superintendent; and Rapid River School Board members.

Peters, VanRemortel, Ahlin, and Brunelle explained the mechanics of how the consolidation proposal came about.

When the consolidation vote is made on Monday, July 25 and if it is passed a new school board covering the consolidated area would be named by the Delta Schoolcraft District School Board until an election could be held. This new board would plan where the new consolidated school would be located, finances needed, school transportation and any other problem that confronts the consolidated school area.

If the consolidation proposal is defeated at the polls, consolidation would be dead unless the various school districts would like to investigate another consolidation plan.

The majority of votes within the proposed new school district will decide the election which will include the votes cast in Baldwin, Brampton, Escanaba Township (Flat Rock), Gladstone, Maple Ridge, and Rapid River School Districts.

The polls will open at 7 a. m., and close at 8 p. m., on Monday, July 25 at the following Rapid River School District's precincts: Rapid River Fire Hall, Masonville Township, Ensign Township Hall, Ensign Township, Stonington Community Building, Bay de Noc Township.

Isabella Circle Holds Annual Picnic Monday

The annual picnic for the Daughters of Isabella, Trinity Circle 362 was held at the Pioneer Trail Park Monday from 2 to 6 p.m. with 68 in attendance.

Games were played during the afternoon with prizes awarded and several door prizes were also presented.

Following the games, a picnic lunch was served by chairman, Mrs. Herman Polmateer and her committee, the Mesdames, Irvin Cashin, George Frasher, Robert Hirn, Levi Allard, James Anderson, Vina Osier, Joseph Feller, Harry Randall, Agnes Grenier and Agnes Anderson.

The following members having birthdays in July were also honored, the Mesdames, Anna Taylor, Rose Kroll, Mose Theorin, Lucille Zeno, George Frasher and Hilda Priestler. Mrs. Barbara Brown, Miss Malla Lokken and Mrs. Gleich were guests for the afternoon.

The next business meeting will be held August 8 with Mrs. Robert Louis, chairman.

Roscoe Pratts Hold Annual Family Reunion

The annual family reunion was held at the Roscoe Pratt home in Stonington on Sunday, July 10 with 67 persons attending. A pot-luck dinner was served at noon.

Attending were: Frank Youden, Elmira; Mr. and Mrs. Milton Thomas, Mt. Pleasant; Mr. and Mrs. Charles Mitchell, Newagen; Lyle Trudell, Lansing; Mr. and Mrs. Jack Groeneveld and family, Mr. and Mrs. Maurice Pratt and Mrs. Dorothy Deloria and family of Escanaba; Mr. and Mrs. Art Johnson and family, Schaffer; Mr. and Mrs. Roscoe Pratt and Mr. and Mrs. Eugene Pratt and Debbie, Stonington; Mr. and Mrs. Roger Schuch and family, Mr. and Mrs. John Nephew and Mark Wehner of Rapid River.

Mr. and Mrs. Harold Pratt and family, Trout Lake; Ray Pratt and sons, David Machin; Kalamazoo; Mr. and Mrs. Leonard Pratt and family, Muskegon, Wis.; Mr. and Mrs. Edwin Baranczyk and family and Mr. and Mrs. Gary Fuller of Green Bay; Melvin and Walter Couillard, Manistique; Mrs. Lillian Simons, Arizona; Steven Chance, Brampton.

Plastic Tanks

DEXTER (AP) — Gasoline tanks made of plastic will be standard equipment on a line of 1967 heavy-duty trucks of a major manufacturer, according to Phillips Products of Dexter, holders of the tanks. Freedom from electrostatic charge and durability were offered as advantages of the plastic tanks.

Two Honored By Forest Service

Two employees of the Hiawatha National Forest were presented with 10-year service pins and certificates of recognition by Sherwood Trotter, forest supervisor, at a recent coffee gathering here.

The honorees are Willard A. Holup, administrative assistant, resources, supervisor's office, Escanaba; and Mary E. Constantineau, also of the supervisor's office. Holup has been a resident of Gladstone, for the

past three years. Before that he served with the Forest Service in Milwaukee. Miss Constantineau is a resident of Escanaba and has served with the Forest Service here since 1955.

Judges Meet

MACKINAC ISLAND (AP) — The Michigan Probate and Juvenile Judges Association will meet July 17-20 at Mackinac Island.

Louisa May Alcott, noted author, was born Nov. 29, 1832.

Red China U.N. Invite Unlikely

UNITED NATIONS, N.Y. (AP) — Despite all the talk about inviting Communist China into the United Nations, the General Assembly is unlikely to do that this fall and may give it even fewer votes than last year.

Various U.S. scholars favor Red China's admission, but not enough U.N. members are for it to make it come to pass.

Delegates estimate that in next fall's General Assembly a resolution to oust the Chinese Nationalists and seat the Chinese Communists will get several fewer votes than it did in last fall's assembly.

That last resolution failed Nov. 17 on a 47-47 tie vote, with 20 nations abstaining. That was not so close as it looks because the assembly had decided it would take a two-thirds vote — not just a simple majority — to change China in the United Nations.

Memos Drawn
Nine of the 11 countries that put the question before the last assembly already are talking about how to handle it in the next one starting Sept. 20. Algeria and Cambodia have drawn up a memorandum setting forth their case.

One of the diplomats involved in those talks expects that Communist China will get one or two fewer votes this year than it did last.

A U.S. delegate makes the same guess, though he adds that it is really too early to tell.

Ambassador Hsueh Yu-chi of Nationalist China told a reporter: "There will be six or seven more votes against the admission of the Chinese Communists."

Hsueh cited as some of the reasons why the Communists had lost votes: his own government had won friends away

from them; some African countries had caught them redhanded at subversion; and sudden changes in government had brought some changes in Red Chinese policy.

Fewer Votes?

As far back as March 28, U.S. Ambassador Arthur J. Goldberg remarked: "I would say right at the moment that there are fewer votes for admission of Red China to the United Nations than there were at the last assembly." The following month U.N. Secretary-General U Thant said indications were that the question of the Chinese seat "will not be solved in the coming 21st session of the General Assembly."

Nevertheless, the issue will be argued out along familiar lines. Among the arguments for seating Communist China are: 1. She is entitled to it. 2. Without her the United Nations is not "universal." 3. Some 690 million Chinese lack representation here. 4. Such world problems as disarmament and the war in Viet Nam cannot be settled without Peking.

Among the arguments against seating Red China are: 1. She is not entitled to it because the U.N. Charter says the United Nations is for peace-loving countries only. 2. She does not represent the Chinese people, because they look to the Republic of China on Formosa. 3. She is so hostile to the United Nations that she would only obstruct settlements. 4. This open hostility shows a lack of interest in coming here.

The Republic of China is a charter member of the 21-year-old United Nations. Its government fled to Formosa in 1949 when the Communists established the People's Republic of China on the mainland.

what is the definition of a private brand?

To some people, it is a retailer's own brand created with selling price first in importance and quality second.

To us at A&P, it's the opposite.

Quality comes first.

Value...the best for the least is the rule for our private brands.

If this wasn't true, how foolish we'd be to invest, as we have, literally millions of dollars in processing plants and testing laboratories.

If all we wanted were products we could sell cheaply without quality control, anybody could produce them for us.

The idea of quality private brands isn't new at A&P.

As a matter of fact, it's one of our oldest policies—and by golly, we're proud of it.

Are A&P Private Brands a good reason for shopping A&P?

They're one of many.

MANISTIQUE

A PONTON RENTAL service has been established at Indian Lake by Mr. and Mrs. Henry Curtis, new owners of the Deerpark Lodge, formerly operated by Mr. and Mrs. Dewey Minor. The Curtis' published a weekly paper in Troy, Mich. for six years. (Daily Press Photo)

Sawmill Players Make Change In Schedule

The Sawmill Playhouse, now producing "Young Ben Franklin," its second in a series of live plays offered in the High School auditorium, announces that due to technical difficulties "Blithe Spirit" can not be produced.

The cast will swing into production of "The Young Rough Rider," after the present drama of youthful days of publisher Ben Franklin.

Members of the Playhouse cast visit local resorts and nearby communities and other places where tourists are to encourage attendance at their plays.

The first production was "East Lynne" and was well received both by visitors and local residents. The plays are presented nightly except Monday at 8:30 p.m.

School Accepts Compensation Bid

The Manistique Board of Education has accepted the low bid of \$1,484 by Denny Insurance for Workmen's Compensation insurance. Three other firms bid.

A special meeting of the board is scheduled July 19 to consider bids on L.P. gas, tanks and installation for the new heating system being installed in central school. A proposal of Jack Roemer for electrical work in the boiler room was accepted. The work will cost \$200-\$300.

The board at its meeting approved a proposal for bus loading arrangements, use of the High School auditorium by Sawmill Playhouse, release of Marjorie Swanson from a contract to teach, and revised extra assignment pay schedules.

The beverage concession in the school was awarded to Mickelson beverage. Bids were submitted by three firms. A request of Mrs. Clifford Cool to use sick leave pay for courses was approved.

The new state and formula will provide about \$3,000 less than was anticipated, it was reported.

The gas incinerator was first developed in 1909.

Briefly Told

Basil Pizala, who fell from a truck while working 19 miles east of the city, on River Road, was taken by ambulance to Schoolcraft Memorial Hospital at 5:20 p.m. Tuesday. He was taken by ambulance from the hospital to his home at 6:32 p.m.

State Police ticketed Francis E. Selling, 225 N. Maple. Henry J. Pietila, Gwinn, speeding, and Darryl C. Carlson, 537 N. Houghton, non-stop.

Duane E. Lockwood, Flint, was assessed fine of \$5 and costs of \$6.70 in Justice Court for possession of undersized northern pike and Ronald K. Amas, Detroit, \$10 and \$6.70 costs for fishing without a license. Both were arrested by Conservation officers.

State Police are investigating an incident in which Thomas Smallwood, 17, of Flint was injured at Indian Lake State Park. Three adults and two juveniles are being questioned in connection with a beach fight. Smallwood was treated at Schoolcraft Memorial Hospital for a head bruise.

Theft of \$45 from the wallet of George Miller of Hedgesville, W. Va. is being investigated by State Police. Officers said he left the wallet in clothing in the bath house and the money was gone when he returned.

Tuesday Golf Group Meets

The Tuesday afternoon group met at Indian Lake Golf and Country Club with Mrs. Mauritz Carlson and Mrs. William Cook as hostesses. Winners in bridge were Misses Lester Foreney, Wesley Orr, Loraine Grodecky, J. C. Quick, Helen McGlothlin, A. J. Cayia and Adam Heinz. Hostesses July 19 will be Mrs. Doll Bruley, and Mrs. A. J. Cayia. Reservations may be called to 341-5333 before noon Monday.

Church Events

Zion Lutheran
Fourth group of the LCW meets at 2 p.m. Tuesday at the home of Mrs. N. E. Dahlman, Gulliver Lake.

Deeper Fishing Needed Due To Warm Weather

With warm weather, surface temperature of water has increased, sending fish deeper. Thus the best fishing bet is deeper too, the Conservation Department notes. Trout are being taken in fast waters, where cover is good.

Good possibilities reported are Silver Creek Trout ponds, in late evening, the Upper Two Hearted River and the Little Two Hearted, the East branch of the Tahquamenon and upper reaches of the Pine and Carp rivers, the east branch of the Fox, and tributaries, Sucker River and Stoner Creek.

Some good rainbow trout catches were reported from the Upper Two Hearted and brown trout are being taken on the Tahquamenon between the falls and Fibron pond.

Walleye fishing fell off some on Manistique and Indian lakes but is holding well considering the water temperatures. Carp Lake, Sucker Lake and the Tahquamenon River are good possibilities. An occasional lake trout is being taken in Grand Sable lake.

Big Pike

A 43 1/2-inch northern was caught in Ross Lake by Harold North, Van Buren. Good possibilities for pike are Pickerel, Sucker, Sullivan and Hemlock lakes, Carl and Frenchman lakes, East Lake in Chippewa county, Round lake in Luce county, Brevoort and East lakes in Mackinac county and Snyder lake in Schoolcraft County. Frenchman lake also is producing largemouth bass, with 20 and 22-inch specimens reported. Boot, Lily and Big Bass lakes in Schoolcraft county are yielding largemouth bass.

Producing smallmouth bass are North Lake in Alger county, Hulbert lake, Les Cheneaux channels, Brevoort Lake, Kinyon and Epoufette Bays, the Green Island area, Milakokia lake and Big Bass lake. Small green frogs have been a good lure.

Whitefish
Bluegills are being taken in Deerman's Lake, East, Twin and Stuart lakes of Luce county. Whitefish and Little Brevoort lakes, Mackinac county, and Sunken, Twin, Steuben, Big Bass in Schoolcraft county.

Yielding perch are Hulbert Lake, Carp Lake, Bass and Manistique lakes, Tahquamenon river, the mouth of the Carp, Les Cheneaux channels, Milakokia, Millicoquins, Indian and McDonald lakes.

Rock bass catches are excellent in Hulbert Lake, Round Lake and Gulliver Lake. Herring catches also are excellent from McKay Bay and lakeside in Les Cheneaux channels. Artificial and natural May flies are working well.

Whitefish catches are excellent in the St. Mary's River, and the breakwater at Grand Marais may be a good bet, the Conservation Department reports.

The department asks extreme care with fire in the woods. It asks that it be advised of any fires. Fishermen are urged to be prepared for deer flies and mosquitos.

Hospital

Admitted to Schoolcraft Memorial Hospital were Gail Guertin, Margaret Kusiak, Rae Highlund and Savilla Handrich. Discharged were Janice French, Russell Brunet, Catherine Goudreau, Roland Nelson and Gwendelyn Rowe and baby.

VFW Auxiliary Hears Report On Convention

The Ladies Auxiliary to the Hiawatha Post 2998, Veterans of Foreign Wars, held a regular monthly meeting Monday night at the VFW Hall.

Application for membership was received from Mrs. Elizabeth Nault and the chair was placed in honor of Mrs. Lillian Hobert.

A report on the recent convention in Grand Rapids was given by Mrs. Lorraine Blum. The Auxiliary received an award for achieving the highest roll for the sixth consecutive year and Mrs. Betty Sturtevant received a citation.

The annual donation of ice cream to Camp Hartman was approved and plans were discussed for a bake sale on the walk day with Mrs. Jacqueline Farn as chairman.

Mrs. Gaudy Hansen received the attendance award and Mrs. Mary Kallman and committee were in charge of the social hour with the Post.

A large head of Boston lettuce and half a head of watercress will make enough greens for a tossed salad to serve eight.

Mrs. William Cook (Delta Studios)

Diane Creten Bride Of William Cook

Miss Diane Creten became the bride of William Cook in a double ring ceremony performed Saturday, July 9 at All Saints Catholic Church in Gladstone.

Bouquets of pink and white gladioli adorned the altar for the 11 a.m. nuptials solemnized by Msgr. Matt LaViolette. The bride is the daughter of

Mr. and Mrs. Joseph Creten of Gladstone and parents of the bridegroom are Mr. and Mrs. William Cook of Escanaba.

Rayon Organza

The bride, given in marriage by her father, was attired in a floor-length gown of white imported rayon organza over tulle, styled with a lace-trimmed chapel train. Her shoulder-length veil of bouffant silk illusion was held by a headpiece of organza lilies and leaves with pearl trim. Her colonial bouquet was of white carnations and pink sweetheart roses.

Maid of honor for her sister was Miss Patty Creten and bridesmaids were Susan Cook and Sharon Sarasin. They wore identical floor-length gowns of pink chiffon fashioned with floating wattle panels and they carried colonial bouquets of pink and white carnations.

Serving as bestman was Dennis McCarthy of Milwaukee and groomsmen were Mike O'Donnell and Joe Frappier of Escanaba. Seating the guests were Tom Creten and Joan Keison.

Reception

The wedding breakfast was served following the ceremony at the home of the bride's parents, with the reception held during the afternoon and evening at the Legion Club.

Following a honeymoon trip to Canada, the couple will reside at 210 Ogden Ave., Escanaba. They are both graduates of Holy Name High School and the bride is presently employed at Managerial Science Inc. Mr. Cook is employed at Harman-Intec Corp.

Included among the honored guests was Mrs. William Cook, of Escanaba, grandmother of the bridegroom. Out of town guests attended from Milwaukee, Milwaukee, Wayne, LaSalle, Lansing and Marquette.

Newcomers Club To Hold July Bridge Luncheon

"Daisies Never Tell" is the theme of the Newcomers July Bridge-Luncheon to be held Thursday, July 21 at the Escanaba Country Club.

According to Mrs. John Curtis, chairman of the luncheon, serving will begin at 1 p.m. followed by an afternoon of bridge or cards of the players' choice. All newcomers to the area and former club members and their friends are invited to attend.

Reservations must be made by Monday, July 18 by calling Mrs. John Curtis, 786-4363 or Mrs. Ray Tapani, 786-5595. Come and join the Newcomers for an afternoon of relaxation.

Lorene Kosovac Is Bride Of Paul D. Trotter

St. John's Cathedral in Milwaukee was the setting for the June 18 wedding ceremony uniting Miss Lorene Ruth Kosovac and Paul David Trotter.

Rev. William Hoffman officiated at the double ring ceremony and celebrated the 12 noon nuptial high mass.

Parents of the bride are Mr. and Mrs. Louis Kosovac of Calumet and Mrs. John Trotter of Escanaba is the mother of the bridegroom.

Miss Donna Turner of Racine served as maid of honor and Michael Craig of Escanaba was best man.

A luncheon followed the ceremony at Victoria's Restaurant in Milwaukee.

The newlyweds are residing in Milwaukee where both are employed.

Families of the bride and bridegroom attended the wedding as did guests from Racine and Loxonia.

Births

HOMERIK — Mr. and Mrs. Robert Homernik, Escanaba, Mich., are the parents of a boy, Joseph Alan, born July 12 at 3:32 p.m. The infant weighed seven pounds, seven ounces. The mother is the former Betty Beauvais.

MAKI — Mr. and Mrs. Raymond Maki Jr., Brampton, are the parents of a girl, Jill Ann, born July 13 at 10:05 a.m. The infant weighed six pounds, ten ounces. Mrs. Maki is the former Linda Mattila.

HALL — Mr. and Mrs. Robert Hall of Kipling are the parents of a girl, born July 13 at 12:40 p.m. The infant weighed eight pounds, six ounces. Mrs. Hall is the former Sonja Johnson.

ROBINSON — Mr. and Mrs. Clay Robinson, St. N. 15th St., Gladstone, are the parents of a boy, Clay Arnold Jr., born July 13 at 4:59 p.m. The infant weighed 7 pounds and three ounces. Mrs. Robinson is the former Hazel Martin.

Personals

Miss J. P. Larson, 1001 Sheridan Rd., and granddaughter, Barbara Costley, San Bernardino, left today for New York where they will board the steamship Grimsholm and sail to Gothenburg, Sweden. They will also spend time in Finland and Norway visiting with relatives and friends. They plan to return in September.

Church Events

Bethany Lutheran
Friday, July 15, 7:30 p.m.
Property committee will meet at the church.

Mrs. James Cole (Delta Studios)

Candy M. Belanger, James P. Cole Wed

All Saints Catholic Church in Gladstone was the setting Saturday, June 25 at 12 noon for the wedding of Candy Marie Belanger of Escanaba and James Philip Cole of Gladstone.

Performing the double ring ceremony was Msgr. Matt LaViolette of Gladstone.

Parents of the couple are Mr. and Mrs. James Belanger of 508 S. 15th St., Escanaba and Mr. and Mrs. Paul Cole of 508 Wisconsin Ave., Gladstone.

Peau, Lace

The bride chose a floor-length gown of white peau and lace styled with peau bodice, short sleeves and a scoop neckline. The sheath skirt was styled with a lace-trimmed chapel length train which formed a bustle for the reception.

A queen's crown of pearls with crystal drops held her three-tiered bouffant veil of silk illusion and she carried a bouquet of yellow and white daisies, white carnations and white bow streamers.

Nancy Belanger, sister of the bride, was maid of honor and bridesmaids were Barb LaCrosse, Mary Schafer and the late Ann Cole.

Bead Trim

They wore floor-length sheath gowns of mauve peau with beaded trim and detailed with detachable floor-length court panels. They carried bouquets of yellow and white daisies with

Mothers' Attire

For attending her daughter's wedding, Mrs. Belanger wore a two-piece powder blue suit with matching accessories and Mrs. Cole was attired in a green print dress with beige accessories.

A reception was held honoring the couple from 4 to 8 p.m. at the Eagles Club followed by a wedding dance from 9 p.m. to 1 a.m.

Following a wedding trip to Mackinac Island and Tahquamenon Falls the newlyweds will make their home in Gladstone.

The bride is a 1966 graduate of Escanaba Area High School and Mr. Cole graduated from Gladstone High School in 1963.

Janice Ketola, Gerald Gaylor Exchange Vows

GERMFAK — Miss Janice Kay Ketola, daughter of Mrs. Clifford Rose of GERMFAK, became the bride of Gerald Gaylor, son of Mrs. Jesse Deloria of Newberry Saturday, June 25 in a candlelight ceremony.

The double ring ceremony was performed by Rev. Allen E. Parks, in Trinity Lutheran Church at Newberry.

The bride was escorted to the altar by her brother, Henry Ketola of Seney. Attendants were Miss Linda Ketola, and Mrs. Bernard (Karen) Carr of Houghton. Best man was George Stephenson and groomsmen was Paul Stephenson.

The bride wore a white floor-length gown of Chantilly lace over tulle featuring long tapered sleeves, sabrina neckline, a fitted bodice with re-embroidered rhinestones. Her finger tip nylon illusion veil was held by a petaled rhinestone tipped crown and she carried red and white roses on a white lace covered Bible.

The mother of the bride, wore

a two piece street length dress of navy with white accessories and a red carnation corsage. The maternal grandmother of the bride, Mrs. Ira Clark, wore a powder blue street length dress, blue hat and accessories. Mrs. Deloria wore a blue over white embroidered street length dress with white accessories and a corsage of white carnations. The maternal grandmother of the bridegroom wore a rose print dress with beige accessories and pink carnation corsage.

A reception was held after the ceremony in the church parlors.

Mrs. Paul Ketola of Ann Arbor was in charge of the guest book and the bride's attendants served the wedding cake and assisted at the gift tables.

The couple toured Lower Michigan and also visited Niagara Falls before returning to Newberry where they are now at home.

If you want your confectioners sugar frosting to be extra creamy and rich, add plenty of butter — more than most recipes call for! But after a cake is frosted with this icing, refrigerate.

MICHIGAN'S HISTORYMOBILE will come to Gladstone and will be open Saturday through Tuesday, July 16-19, adjacent to the City Hall. Cooperating with the Delta County Historical Society as Historymobile hosts are

Harold Beigman, Mr. and Mrs. Albert Hatch, Mr. and Mrs. Thomas Davis, Eloise Pickard, Beverly Martin, Diane Ottensman and Christine Englund. The huge 50-foot museum on wheels will be open daily from 10 a.m. to 6 p.m.

Gladstone Awaits Word On U.S. Industrial Grant

The City of Gladstone's application for a federal grant under the Economic Development Act to finance public improvements at the Industrial Park is still being processed in Washington, D.C.

City Manager H. J. Henrikson said the city was "still hopeful" of receiving assistance, despite the six-month lag from the time the application was filed.

Funds for the fiscal year which ended June 30 were committed, he said, but fiscal 1967 funds are still available.

Total cost of the industrial park program to improve electrical, street water and sewer service is estimated to be about \$185,000.

Part Rejected

Henrikson said the federal government has rejected participation in the electrical program which would cost about

\$30,000, but no decision has been made on the remainder of the plan. Federal participation would be 80 per cent of the remaining \$155,000 — about \$83,000. The rest of the cost would be paid by the city.

The program would finance a program of improvements at the industrial park designed to provide adequate water, sewers, electricity and access streets for possible future industrial development of the area. Marble Arms, Inc., new occupants of the park, also have expressed strong desire to get improved water service to lower fire insurance rates.

No Bond Issue

Henrikson said some improvements have been made to provide Marble Arms with fire protection in their new building. He explained, however, that any improvements the city makes prior to receipt of a federal loan will not be eligible for federal participation.

Local financing for the pro-

gram, if federal approval is received, would come from various city funds. No bond issue or millage vote would be required, Henrikson said.

"We might have to borrow temporarily," he continued, "but all city resources would be used."

City officials expect that improvements in the industrial park would be a major factor in attracting other new industries to the Gladstone area.

Improved Bus Formula OK'd, Hearing Next

LANSING, AP — State payments for operation and purchase of public school buses would climb from \$18 million to \$20 million a year under a formula approved Wednesday by the State Board of Education.

The State Department of Education reimburses school districts for up to 75 per cent of the cost of school transportation.

Board member Donald Thibault said the new formula is designed to meet increases in costs since the formula last was adjusted in 1957.

The new formula would provide increases of 2 to 5 cents per mile traveled and a 14.3 per cent increase in state funds available for purchase of new buses.

Murphy said a public hearing will be held on the proposed new formula, and it then will be reviewed by Atty. Gen. Frank Kelley.

Democrats Add JFK To Ballot

LANSING, AP — Michigan Democrats have added a picture of President Kennedy and two stars to the flag-in their general election ballot vignette.

President Franklin D. Roosevelt and a 48-star flag will head the Democratic column in the Aug. 2 primary election. The new vignette was filed with the State Elections Office last Friday — the deadline for changing the party emblem for the Nov. 8 election.

The old vignette with the outdated flag was resurrected hurriedly last April when Detroit Mayor Jerome Cavanagh objected at the last minute to the vignette then planned for use in the primary.

It contained a picture of ex-Gov. G. Mennen Williams Cavanagh's opponent for the party nomination for U. S. Senate — giving Williams an obvious and unfair edge, Cavanagh said.

The new vignette has a drawing of Roosevelt on the left, Kennedy on the right, the current American flag in the background and the words "The Democratic Party" across the top.

The Republicans, displaying images of Gov. George Romney and Abraham Lincoln, felt no need for changing their vignette for either the primary or general election this year.

Coin Show

The Grand Traverse Coin Club of Traverse City will present its fourth annual coin exhibit and bourse July 23-24, at the Park Place Motor Inn, Traverse City.

Gladstone News

Golf Match Won By Gladstone

Gladstone Rotarians entertained the Manistique Rotary Club at the Gladstone Golf Club Monday afternoon, with Gladstone winning in match and medal play.

Low scores in the Manistique group were Ossie Smits, Harold Cochran and Malcolm Nelson; and for Gladstone Dean Roddy, Jim Danitz and Fred Shaw.

Among the Manistique guests was John Morrow, offensive center for the Cleveland Browns.

The chalice symbolizes faith in Christian art.

Briefly Told

State Police of the Gladstone post apprehended four juvenile boys who admitted they threw stones from a railroad overpass near Pioneer Trail Park Wednesday afternoon, breaking the windshield in a truck driven by Gordon Holmquist of Trenary. The driver was unhurt.

Irving Anderson of 810 Superior Ave., Gladstone, was given traffic court notice by State Police for making an improper turn, after his car and an auto driven by Edward Tomlinson of Churubusco, Ind., collided on U. S. 2-41 between Escanaba and Gladstone.

An investigation of the cause of a fire that destroyed a camp owned by Louis Richards, 2122 S. 3rd Ave., Escanaba, is being made by State Police. The fire was reported by Conserva-

tion officers. The camp was located in Marquette county.

Robert Willis of Wilson reported to State Police that his car struck a deer which leaped into County Road 535 in Menominee County Wednesday evening. Willis was unhurt.

History Never Dull:

Current Events Keep Historians Busy In County

The Delta County Historical Society, one of the most active in the state, is busier than usual this summer with current events.

Directors of the organization, meeting with President Robert Schmeling recently, reviewed programs and projects that include:

1--The marking with State Historical Commission approved signing of two historical sites: Pioneer Trail Park and the Whitefish River trail a short distance east of Rapid River.

2--Hosting of the Northern Michigan Regional Historical Conference to be held in Escanaba Friday and Saturday, July 29-30. Charles Folio, State Historical Society trustee, is arrangements chairman.

3--Extending the visiting hours at the Delta County Historical Museum in Ludington Park to evening hours from Monday, July 18, through Aug. 31. Hours now are 2-5 p. m. and starting July 18 will be from 7 to 9 p. m. daily also.

4--Sponsorship of the Michigan Historymobile which will be adjacent to the City Hall at

Gladstone July 16-19; and near the Historical Museum in Escanaba July 26-31.

Schmeling reported that the historical markers project, which was financed by a gift of \$500 from the Escanaba Daily Press, is progressing and that the wording for the signs is being prepared with the approval of the Michigan Historical Commission.

The Delta County Road Commission and the State Highway Department are cooperating in the selection of suitable locations for the two markers.

The Regional Historical Conference will bring to Delta County representatives of local historical societies of the U. P. and of the State Society and Commission. Tours, luncheon and dinner programs have been arranged.

Principal speakers will be Carl Anderson, vice president, Eastern Michigan University; and G. Harold Earle, Hermansville.

Volunteers will take over for the extra hours the Historical Museum will be open evenings beginning Monday. Volunteer workers are also busy with a project of sorting, cataloging and filing papers, reports, pictures and other historical materials in the Museum.

For the period the Historymobile will be at the Museum in Escanaba July 26-31. The Museum will also be open additional hours--from 10 a. m. to 6 p. m.

Veraghen Tree Farm Listed On Peninsula Tour

One of the stops on the seventh annual Upper Peninsula Farm Tour scheduled for Menominee County on Aug. 6 will be at the Walter Veraghen Christmas Tree Farm located 1 1/2 mile south of Powers.

Veraghen's plantations total 60,000 trees. He carries on a planting, shearing and harvesting program. All Delta County Christmas tree producers and other interested persons are invited to stop at the Veraghen Farm between 10:00 to 11:03 a. m. or 3:30 to 4:30 p. m. on the day of the tour, according to J. L. Heirman, Michigan State University county extension agent in agriculture. Veraghen will be present to explain his operations.

There will also be two demonstrations at this stop. One will show the use of herbicides to deaden grass and weeds for tree planting. This method kills vegetation in strips where trees are to be planted and can be used instead of fowrowing. It has the advantage of not removing the fertile topsoil and creates no uneven ground conditions such as results from fowrowing.

The other demonstration will show the use of green colorant spray to improve the color of yellowish Christmas trees. Both demonstrations will be conducted by Roy E. Skog, Michigan State University specialist, Marquette.

More Aid For Summer Jobs For Students

An additional allotment of \$49,140 in federal funds has been approved for Northern Michigan University, Marquette, for the operation of this summer's Upper Peninsula College Work-Study Program.

To be eligible for the program, applicants must be enrolled or accepted for enrollment at any accredited state college or university this fall. The only exception is the University of Michigan, which is not participating in the program.

The program is limited to low-income families with preference given to U. P. students whose combined family income is less than \$3,200 for a family of three (two parents and one child). The income level limit is increased with each additional dependent: \$4,000 for a family of four; \$4,700 for a family of five, etc.

Directors of the U. P. Community Action Program will serve as clearing agents for both employers and students. Students who are seeking summer employment have been asked to contact the Community Action Program director in their county, Ray LaPorte, Delta County Building, Escanaba is director of the Minominee-Delta-Schoolcraft CAP.

Social Club

Ladies Day
At the regular golf league and bridge held Wednesday at the Highland Golf Club door prizes were awarded to Mrs. Robert Robinette, Mrs. Mel Manske and Mrs. Alice Bergman. A special event will be held next week and ladies are asked to make their own matches. Dinner reservations may be called in to Mrs. Jerome DeLoria, 786-5657 or 786-6097 or to Mrs. Clarence Zeno, 786-7887.

Governor Signs Education Bill

LANSING (AP)—Gov. George Romney has approved more than \$886.1 million in education spending for the current fiscal year, his office announced Wednesday.

The \$586.8 million school aid bill and the \$229.3 million higher education measure were among 10 bills signed late Tuesday.

They represented the bulk of the \$974.5 million general fund budget for the 1966-67 fiscal year, which began almost two weeks ago.

In the school aid bill, only \$238 million comes out of the general fund (over which the legislature has discretionary power). The balance—\$348.8 million—is automatically channeled into the fund for aid to local districts from various revenue sources—such as sales tax revenues. As such, it is not subject to discretionary controls, and is not counted as part of the general fund budget.

The bill signings announced Wednesday represented \$780.3 million of the general fund budget.

Three controversial items have yet to be acted upon.

They include a \$3.3 million tuition grant program for students in private colleges and universities, a \$500,000 appropriation—with strings attached to acquire land for the proposed Grand Mere State Park near Benton Harbor, and a 14-mile road project to an Upper Peninsula copper mine that eventually could cost some \$2.8 million.

The park and road projects snarled the legislative process last month and the \$71 million capital outlay bill—which contains the park proposal—technically was killed until leaders hurriedly called the House and Senate back into session.

Allowance Up

The school aid bill represents a \$68 million increase over the funds channeled to local districts last year. Most of the increase is due to a hike in the per-student allowance from \$255 to \$278, and removal of ceilings on aid to low valuation districts.

It is \$16.6 million more than recommended by Romney six months ago.

The higher education bill represents an increase of \$32 million over last year's appropriations to the state's 10 tax-supported colleges and universities.

The governor also signed a \$115.7 million mental health appropriations bill—a \$14 million increase from last year, and just a shade higher than Romney's budget plan.

Russell Hoyer Named Head Of Generating Co.

John H. Warden, chairman of the board of the Upper Peninsula Power Co., announces that Russell F. Hoyer, president of the utility firm, has been named president of the U.P. Generating Co.

The appointment was by directors on June 27, following resignation of Warden as president. The company is located in Marquette and is owned jointly by Cleveland-Cliffs Iron Co. and the Power Co. and is an operating company producing energy for both Cleveland-Cliffs and the Power Co.

Hoyer has been in the utility industry since 1927 and with the local companies about half that time. For nine years he was a consultant in the New York office of Stone & Webster Service Corp. In 1960, he was elected administrative vice president of U.P. Power Co., and became its president in 1963.

Holy Name High Class Of 1956 Plans Reunion

The Holy Name High School Class of 1956 will hold its 10-year reunion on Saturday, July 16, beginning with a special 9 o'clock Mass at St. Joseph's Church for members and guests.

The reunion program will be held at the Dells Supper Club Saturday evening, with cocktails at 6:30 and the banquet at 8:30 o'clock.

Father Thomas Carmody, former teacher at Holy Name High School, will be the speaker, and the master of ceremonies will be Gary Pater, secretary of the Class of 1956.

The reunion committee is also inviting members and their guests to the Bowlerama for an informal get-together at 9 p.m. Friday, July 15.

Staffer

Gary Thoresen, has joined the social service staff of Newberry State Hospital. He received both his undergraduate degree and master of social work degree from Wayne State University. He was with the Children's Aid Society of Detroit for two and one-half years and was associated with Wayne State University.

Seeks Election

LANSING (AP)—Michigan State University Le-oy Augenstein, who earlier dropped out of the race for the U.S. Senate, announced today he will seek Republican nomination to the State Board of Education.

THIRTY-THREE TRAILERS of members of the Travel Trailer Clubs of the Midwest are at the U.P. State Fair grounds today while their owners and their families enjoy visits to Delta Area beaches, parks, industrial plants and other attractions. The two week tour started with rendezvous at Kalamazoo and has visited Duluth, and the Dells, Beloit, Eau Claire and other Wisconsin cities. It came to Escanaba from Ironwood on Wednesday, the first unit arriving at noon. The caravan will leave at 8 a.m. Friday headed for Clare and breakup. Some of the trailerites are pictured at cleanup after their evening meal Wednesday at the Fair grounds. The Escanaba Chamber of Commerce arranged for use of Fair facilities. (Daily Press Photo)

Drought Batters Midwest Crops

KANSAS CITY, Mo. (AP)—Agricultural areas in a belt running from New Jersey truck farms to Kansas pasture lands are being dealt a hammer blow by the searing weather gripping much of the country.

All of Missouri and portions of Kansas, Pennsylvania and Tennessee have been declared drought disaster areas. The next 10 days are considered critical for the corn crop in the central Midwest, and New Jersey farmers face the possibility of losing much needed irrigation water.

The situation in other areas is brighter. The West has had rain recently. Most pasture and crop damage there is blamed on the late spring drought and freeze.

The extreme heat is normal for the Deep South but has caused problems in the northern Midwest by forcing early crop maturation.

Ironically, heavy rains recently have damaged crops in scattered areas of the Midwest and West.

Everett Crosby Dies Of Cancer

SHARON, Conn. (AP) Everett Crosby, who managed the singing career of his brother Bing for many years, died Wednesday night at Sharon Hospital. He was 70.

He had been confined to a wheelchair since both legs were amputated in 1964 because of a circulatory ailment. Last year he was treated for cancer of the throat and it was hoped he had recovered.

Senate Approves Pollution Bill

WASHINGTON (AP)—The Senate has approved 90-0 a vast program for reducing and eliminating pollution of the nation's rivers, lakes and water supplies.

The bill, which now goes to the House, would authorize more than \$6 billion in federal grants in the next six years to pay part of an estimated \$20 billion supporters said would be needed to attack the pollution problem.

Classified Ads Cost Little But Do A Big Job

Trout Madness Yields To Heat

Hot weather with low and warm water conditions have not been conducive to the best fishing. Trout fishing activity and success have been practically nil, but bass, northern perch continue to appear with frequency in the angler's creel, reports Robert Timmer.

of the Conservation Department.

Best bets in Delta County for bass are Butler's Beach in Nahma area, South River Bay near Garden, Ogontz Bay, Marquette area in Little Sag Lake, No. 3 Dam Impoundment on the Escanaba River, and the lower reaches of the Ford River.

Gladiola Society Planning Picnic

The members of the Upper Peninsula of Michigan Gladiola Society will hold their annual picnic at the cottage of Mr. and Mrs. Victor Peterson of Stonington on Sunday, July 17. Dinner will be served about 12:30.

Members are reminded to bring a card table and chairs and their own table service.

Peterson's live on the Stonington Peninsula about 12 miles south of U. S. 2. The road will be marked with a sign.

Some perch are being taken off North Gladstone on minnows and worms.

A very few large walleye have appeared off St. Vital's

Island at the lower extremity of Ogontz Bay and an occasional walleye has also been

taken in the Ford River.

In the southeast Marquette County a few brook trout are being taken in Sawmill Creek and the Escanaba River, and a few rainbow from Johnson Lake near Gwinn. Bass fishing is fair in Little Sag Lake in Section 36, T45N-R26W, and some nice perch are being caught from Crooked Lake in Section 29, T45N-R26W.

Fishing activity is generally slow due to water levels and temperatures, hot weather and insect prevalence.

Ruppe will participate in the Calumet Township Centennial Parade Saturday and spend the rest of the afternoon in a hand-shaking swing through the township.

His Sunday schedule includes a noon U.P. field archery tournament in Munising and a U.P. Shooting Association trap shoot at Marquette Prison.

Red Refugees Flood Austria

VIENNA, Austria (AP)—A total of 1,401 refugees arrived in Austria from Communist Eastern Europe in the first six months of this year. Interior Minister Franz Herzenauer told Parliament.

Michigan Tech in Houghton has hired a new athletic trainer Robert Young, a 1966 graduate of Indiana University where he served as assistant trainer for three years in football, basketball and minor sports. Young will begin his duties at Tech with the opening of football practice Sept. 1.

Ironwood practically clinched its second straight Western Upper Peninsula baseball league championship this week by defeating runner-up Wakefield, 7-4. The Red Devils paraded home seven runs in the first two innings en route to their sixth victory in seven starts. Joe Perille hit a bases loaded triple and a pair of singles while Don Salvio scattered five hits and fanned 15 batters.

Office Supply won the Walt Kari Memorial softball tournament in Houghton, whipping Bosch by a 10-3 margin in the final to top a field of six teams. Sponsor of the title winning team is Con Schay, former Naima High School athlete. Bob Williams and John Vencato handled pitching duties for the Office Supply team.

The schedule of games in the Upper Peninsula district Babe Ruth tournament of Bessemer calls for the winner of Friday's game between Escanaba and Bessemer to return to action Saturday at 2 in a semifinal contest. A consolation game will be played Sunday at 1:30 with the champion-ship tilt slated for 3 p.m.

Credit Union continues undefeated in second half action of the Iron Mountain Intercity softball league. Bill Uren pitched the team to a 4-1 decision over previously unbeaten Iron & Steel. The decision extended Credit Union's victory string to four games.

An all-star team from the Marquette County American Legion teams has been formed to compete in Upper Peninsula tournament action. Players from Marquette, Negaunee and Ishpeming team make up the squad which is managed by Ted Mattson of Ishpeming. The team will represent the 12th district in the 5th Zone (Upper Peninsula) championship tournament which is scheduled to be played in Iron Mountain.

Dave (Whitey) Horka fashioned his sixth straight mound decision for the Sault Merchants this week, downing Radar Squadron, 7-0, with a two hitter, fanning 13. The Merchant have won 10 of 11 starts to lead the Sault circuit. Leading hitter in the league is Earl Falk of Kitchel who has a .563 average on 18 hits in 32 trips. Horka, who has fired three no-batters in his six mound victories, is the top hurler in the league.

Giant Bossman Is Irked At Use Of Ace Pitchers By Alston In Star Game

By The Associated Press

Its midsummer pause for the All-Star classic ended, major league baseball got back to the business of pennant races today with 11 night games and one day game.

Dave Bristol was named interim manager of the Cincinnati Reds Wednesday, replacing Don Heffner. The Reds, pre-season pennant favorites in the National League, ended the first half in eighth place, just two games in front of the New York Mets.

Heffner was the second manager to feel the axe this season. The New York Yankees fired Johnny Kneiss in May. The Reds, plagued by a series of rainouts early in the season,

lost 13 of their first 17 games and never did straighten out. They ended an 11-game slide with a 2-1 victory in San Francisco Sunday — the last game in which Heffner was to manage them.

And while the Reds changed managers, it looked as if the Giants and Dodgers were ready for an old-fashioned squabble to start the second half of the season.

San Francisco Manager Herman Franks is reportedly angry over the use of his ace pitchers, Juan Marichal and Gaylord Perry, by Los Angeles Manager Walt Alston in the All-Star game.

Franks told Harry Jupiter, a sports writer for the San Francisco Examiner, that he had complained to Alston. "He had eight pitchers," Jupiter quoted Franks. "They're all A-1 stars. There's no reason Alston had to use both of mine. That burned me up and I told him so."

Marichal worked three innings and Perry, the winning pitcher, two. Alston also used his own Sandy Koufax for three innings and Jim Bunning of Philadelphia for two.

Alston was quoted by the Examiner as saying, "You have to go according to the game. I would have liked to have held Sandy out. He probably could have pitched three days rest. Everybody is in the same situation."

The Dodgers had denied that

Griffith Shades Archer

Emile Keeps Ring Crown

NEW YORK (AP) — "If Joey Archer wants another shot he can have it and so can Dick Tiger," said middleweight champion Emile Griffith today. "I'm a fighting champion and I'll fight anyone if the price is right."

The aggressive, strong 28-year-old Griffith took the middleweight title from Tiger in April and successfully defended it Wednesday night with a majority decision over Archer in a brisk 15-rounder at Madison Square Garden.

Many champions in the past have talked about being fighting champions but few have delivered. You can't fault Griffith on that point. The husky Virgin Islands native has been busier than an air-conditioner salesman during a heat wave.

Griffith has had 14 title fights, 12 as a welterweight and two as a middleweight in five years, three months. His welterweight title record is 10-2.

Judge Artie Aidala, 9-5-1, and judge Al Peri, 8-7, voted for Griffith. Referee Johnny Lombardo called it a 7-7 draw.

Detroit Signs Three Veterans

BLOOMFIELD HILLS (AP) — Three more veteran Detroit Lions football players signed Wednesday bringing the total of signed veterans to 22.

Jim Gibbons, the Lions end who holds the team record for passes caught, signed for his ninth season.

Larry Hand, defensive end, and Ed Flanagan, center, both signed for their second seasons.

giving each seven rounds and seven points. At the end of 12 rounds, Aidala and Peri each had it 8-4 while Lombardo had it 7-4-1, all for Griffith.

The Associated Press had it 9-5-1 for Griffith. The ringside poll favored Griffith 18-5. Most of the scores had Griffith the winner by big margins.

There were no knockdowns but Griffith buckled Archer's knees with a jarring left and right combination to the head in the sixth round. He hurt Joey again right at the start of the eighth with two thumping left hooks to the jaw.

Archer was cut on the forehead, about a half inch over his right eye, in the eighth round.

"I came from a butt," said Archer. "He was trying to butt me all night. He kept lunging at me with his head."

"I thought I won. I thought I outboxed him and won on the outside and the inside. I'd like to fight him again."

"He can have it if a promoter comes up with the right price," said Gil Clancy, Griffith's trainer and co-manager. "The same goes for Dick Tiger. Emile ducks no one."

Clancy said Griffith's Sept. 30 fight with welterweight Stanley (Kitten) Hayward of Philadelphia at Las Vegas, Nev., "is up in the air."

"It was supposed to have been for the welterweight title but when the WBA (World Boxing Association) took away Griffith's welterweight title without giving us a hearing it probably killed the fight."

Late support for Archer made the 28-year-old New Yorker 13-10 favorite at fight time. The Archer backers didn't think Griffith could spot the fleet-footed boxer 7 1/2 pounds and be effective. Most of the time however, Archer looked like the welterweight and Griffith the heavier man.

Griffith's record now is 51-7. Archer's record is 46-3 and he still can boast that he's never been floored.

Cubs Avenge Two Defeats

The Eaky Cubs gained revenge for two earlier setbacks by defeating Powers, 9-2, in exhibition baseball action here Wednesday.

Manager Allen Erickson's Cubs solved the slants of three Powers hurlers for six hits, including a homer by Tom Bravley and a double by John Way. Don Whitens, Mike Moran and Doug LaCouriere shared the Powers hill.

Jim Boyle and John Way tolled on the Escanaba mound and also granted six hits while fanning eight batters.

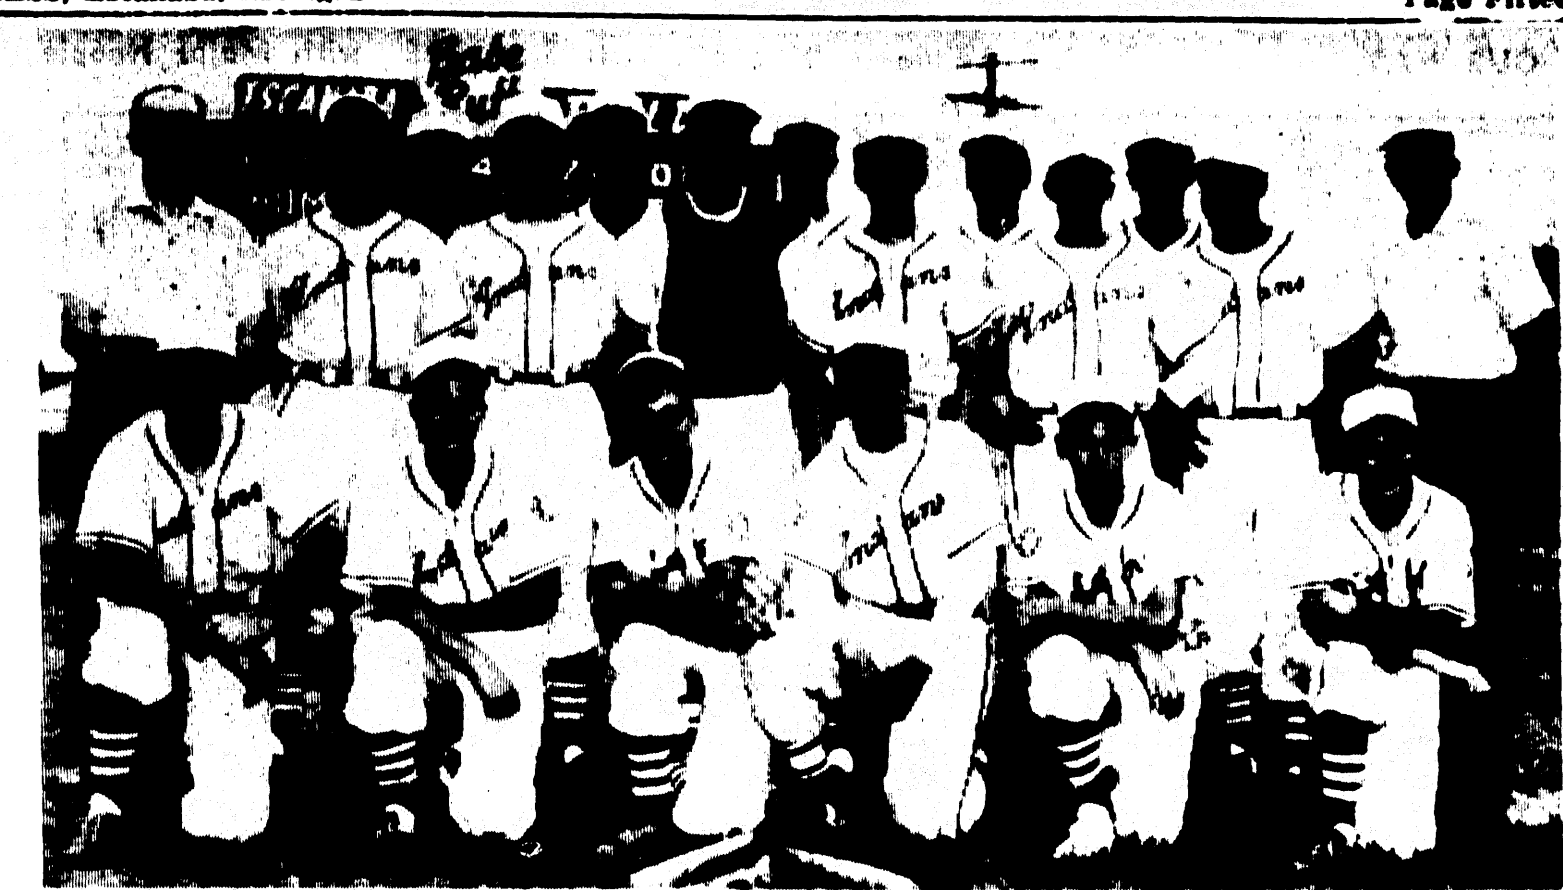

The Cubs return to action with a doubleheader at Manistique Sunday, starting at 1.

Spartan-Irish Game Sold Out

EAST LANSING (AP) — The 1966 Michigan State Football game against Notre Dame and Ohio State have joined the MSU-University of Michigan game on the "sold out" list.

Season tickets for MSU's six home games are "just about gone," said Bill Beardsley, MSU athletic ticket manager.

The U-M game is in Spartan Stadium Oct. 8, the Notre Dame game is at East Lansing Nov. 19 and the Ohio State game is at Columbus Oct. 15.

MEMBERS OF THE Escanaba Babe Ruth All-Star squad which will compete in the district tournament at Bessemer this weekend are pictured above. Front row, left to right: Jim Anderson, John Gravelle, Roger Chylek, Allan Larson, Ken Robitaille, Warren Nye. Second row: League financial

secretary Paul Vardigan, Douglas Howard, Bob McGinn, Greg Johnson, Kevin Curran, Bob Stacey, Rick Lancour, Manager Pete Ross. Third row: Coach Fran Gravelle, Jack Johnson, Pete Ross, Steve Miketina and Coach Tom Dufour. (Daily Press Photo)

Baseball Fans Hit New High

NEW YORK (AP) — More than 25 million spectators — an all-time high — are likely to watch major league baseball games this year.

This was indicated today when an Associated Press survey of mid-season attendance figures showed that the Atlanta Braves and California Angels have helped boost the majors' gate total 7 per cent over 1965.

The Braves, who moved from Milwaukee, and the Angels, in the new Anaheim Stadium, have been the most important factors in lifting overall attendance to almost 13 million going into tonight's games.

A total of 7,445,231 have watched National League clubs in action while 5,427,846 have paid to see American League games. The combined total of 12,873,077 is 843,716 more than a year ago in a comparable number of playing dates.

A major league attendance record of 22,441,900 was set last season.

The Braves' turnstile count is up 568,451, while the Angels' has increased by 410,099 over last year. Both have drawn more than 800,000, and have surpassed their 1965 full-season figures. The Angels have the highest American League attendance, 808,823.

Propose Raise In Prep Award Limit To \$5

LANSING (AP) — The \$3 limit on awards to high school athletes would be boosted to \$5 under a proposal approved Wednesday by the State Board of Education.

If the rules change becomes final after public hearings, it would go into effect Sept. 1, 1967.

The Representative Council of the Michigan High School Athletic Association recommended the higher limit. The \$3 limit has been in effect since 1954.

The board also approved a proposed rule change that would allow junior high school ninth graders the same privileges of sports competition as ninth graders attending four-year senior high schools.

Eastern Names James Dutcher New Cage Coach

YPSILANTI (AP) — James D. Dutcher, whose Alpena Community College team posted a 105-72 record in eight seasons, was named head basketball coach at Eastern Michigan University Wednesday.

Dutcher, 33, replaces John R. (Dick) Adams who resigned. Dutcher, a 1955 graduate of the University of Michigan, directed his team to two Michigan Junior College Conference championships. The 1965-66 team had a 22-5 record and represented a three-state area in the national tournament.

Three former Alpena C.C. players played for the EMU team last year which was 13-3, the best Hurons' record in 30 years.

The announcement of Dutcher's appointment was made by Athletic Director F.L. Frosty Ferzacca.

Jimmy Brown Quits Pro Football Ranks At Peak Of Career

LONDON (AP) — Jimmy Brown, perhaps the greatest runner pro football has ever known, is calling it quits — retiring at the peak of his career.

"I am leaving the Browns with an attitude of friendliness and cooperation," Brown said Wednesday night. "Once I return to Cleveland I'll do everything I can to help the Browns — other than playing."

The formal announcement was made today here at a press conference by Metro Goldwyn Mayer film company.

The Associated Press learned of Brown's plans Wednesday night, as did the Cleveland Plain Dealer.

The 30-year-old, 230-pound fullback for Cleveland's National Football League team is in England making a movie. His decision had been hinted for some time.

Owner Art Modell had told Brown he expected the fullback to be in Hiram, Ohio when the veterans report to Coach Blanton Collier for training this week, and had threatened him with a fine if he did not report. The movie Brown is playing in is not expected to be finished until late September.

"I had intended to play this year," said Brown, who still has a year to go on a reported \$60,000-a-year contract. "My original reason for coming back was because Art wanted me to. Then, when it was pointed out by Art my reporting late put the team in an awkward position, my original reason for returning wasn't there any longer."

"Each day I kept hoping I could call Art and give him a date when the picture would be completed. But nobody knew. We still don't know."

Will he reconsider, once the picture is finished?

"No," Brown said. "This decision is final. I'm no longer preparing mentally for football. I'm committing myself to other things. I'm not going to play again."

In his nine-year pro career the former Syracuse All-American carried the ball 2,559 times and gained a total of 12,312 yards for an average of 5.2 yards per carry. He scored 126 touchdowns, and led the league in ground gaining eight years.

Last year he was voted the

league's Most Valuable Player and led the league in rushing with 1,544 yards, averaging 5.3 yards a carry. He scored 21 touchdowns, one more than the

old record but one less than the 22 scored by rookie Gale Sayers of the Chicago Bears.

Collier was not surprised by Brown's announcement, but the loss has to hurt. He said he was very sorry to lose "the greatest running back in the history of the game," he added.

"I want to make it clear that this is not a one-man football team. I certainly expect the Browns to be in contention."

The Browns' chief remaining running backs are halfbacks Elmer Green and Leroy Kelly. Veteran Charley Sciles is the No. 2 fullback.

Brown issued this statement through the film company:

"After much deliberation I have come to the conclusion I will retire from professional football this season. My original intention was to try and participate in the 1966 National Football League season, but due to circumstances this is impossible."

"My ambition right now is to devote as much time as possible to the national Negro industrial and economic union project which stresses full participation of Negroes in the main stream of the American economy."

Softball League In Another Knot

Wednesday Result
Merchants 11, LaFave's 1
Games Tonight
6:45—Flat Rock vs. Mustangs
8:15—Mead vs. Michigan Hotel

The Merchants tied another knot at the top of the Escanaba Softball League race Wednesday night when they defeated LaFave's, 11-1.

The victory moved the Merchants back up into a tie with Bero Motors in the No. 1 spot in the league race. Both teams now have 10-2 records. Flat Rock is only a half game off the pace with a 9-2 mark.

Bob Corvieux flipped a three-hitter and fanned six for the Merchant mound decision last night. Don Martineau paced the winners at the plate with two doubles in three trips.

Dick, Jug and Dennis Bourdeau took turns on the LaFave rubber and granted seven hits.

Tigers Have Chance To Close Gap On Front Running Baltimore Club

DETROIT (AP) — The American League pennant race may not be decided in the next 11 days.

But the Detroit Tigers will never have a better chance to close the gap on the front-running Baltimore Orioles.

The Tigers and Orioles open a three-game series tonight, the first of six games between the teams in their next eight outings.

If the Tigers are to cut the Orioles' eight-game margin, a number of trends in the first half of the season must be reversed.

First, the Tigers will have to start winning at home. They were 20-24 before the home crowd—compared to 28-11 on the road—prior to the All-Star break.

They haven't won a home series since they swept three games from Boston the first week of June. The Tigers have lost series to Minnesota, Kansas City and California, and split with the Yankees and Senators since.

Despite their dismal showing, the Tigers are running more

than 78,000 ahead of last season's attendance pace. Changes in figuring the attendance — Ladies Day and Retirees Day ticket sales count—are responsible for some of the increase.

More important than where the games are won, however, is the fact that the Tigers have not been farming well against the contending teams.

The Orioles, for example, have won all three games played at Tiger Stadium to date and hold a 4-3 edge in the season's series.

Third-place Cleveland, which plays a doubleheader here Sunday and plays host to the Tigers for a four-game series next weekend, holds a 3-2 advantage.

California, which swept three games the last time the Tigers were in town, is 7-5 against the Tigers.

Fifth-place Minnesota is the only team in the first division which does not hold a series edge on the Tigers. The Tigers have beaten the Twins seven times and lost five.

Don Heffner Fired With 'Deep Regret'

CINCINNATI (AP) — Don Heffner has been fired as manager of the Cincinnati Reds and coach Dave Bristol, only 33, has the job today of trying to pull the team into the first division in the National League.

Bristol was named Wednesday at an interim manager to take over the eighth-place Reds for the second half of the season.

Bristol takes over tonight as the Reds face the St. Louis Cardinals in a two-night doubleheader.

The firing of Heffner followed repeated denials by Cincinnati Owner-General Manager Bill DeWitt that he planned any changes.

As recently as Tuesday night DeWitt was quoted by Lou Smith, sports editor of the Cincinnati Enquirer, as saying in St. Louis, "I haven't given it a second thought" in reply to questions about Heffner's future.

Heffner held a workout for the

team Wednesday morning before getting word he had lost his job.

Bristol, a former minor league infielder and manager, is the third man to head the Reds since Fred Hutchinson was stricken with cancer and had to quit as manager late in the 1964 season. Hutchinson died later.

Things have been going wrong with the Reds — the pre-season favorites — ever since the start of the season. First their opening series was rained out — for the first time in decades — and then they lost nine out of 12 games before winning two in a row.

Just before the All-Star Game break, the Reds were in eighth place, 15 games out of the league lead with a record of 37-46.

Even the announcement of Heffner's firing did not come off as planned. DeWitt's plane developed mechanical trouble after leaving St. Louis and his prepared statement was read by

Assistant General Manager Phil Seghi.

"It is with deep regret we announce that Don Heffner has been relieved of his duties as manager of the Reds," the statement started. "While we feel that Heffner, who is a dedicated baseball man, did a good job, we believe a change at this time is in order."

"It is our plan to seek a permanent manager as soon as feasible."

"Don has been offered a job to continue in our organization next year, and it is my hope that he will remain with us in some capacity."

Neither Heffner nor Bristol attended the news conference. Bristol was at home in Andrews, N.C., and Heffner reportedly was at his Cincinnati apartment where he kept the telephone off the hook.

Bristol, in Andrews, said he regards the interim job as a "real challenge. I hope I can do a good enough job to make it permanent."

OUT OUR WAY

by J. R. Williams

OUR BOARDING HOUSE with Major Hoople

McMillan

Mr. and Mrs. Robert DeVries and son Danny left Thursday for their home in Marion after visiting with relatives, Mrs. Etta Skinner and Mrs. Lois Terry, also Dr. and Mrs. Max B. Purdy of Newberry.

Mr. and Mrs. Donald Burton and boys of Midland spent a week visiting her mother, Mrs. Evelyn Sampson, also other relatives in Newberry, Lakeland, Negaunee and Crystal Falls.

Dick Brown of Columbia visited his wife and sons over the weekend.

Mr. and Mrs. Laurel Painter of Hadley are spending their vacation enjoying some fishing and also visiting friends and relatives.

Mrs. Etta Skinner, Mrs. Lois Terry, of McMillan, Mr. and Mrs. H. B. Purdy and Stephanie of Kalamazoo, Mr. and Mrs. Thomas Kahn of Detroit were guests at the cottage of Dr. and Mrs. B. Purdy on July 4th.

Sunny Sanford of Detroit spent a few days visiting with Rick Painter.

Mr. and Mrs. Louie Francisco and family left Monday for their home in Ann Arbor after visiting with her mother, Mrs. Gretta Snyder and other relatives.

Mrs. Ben Donahue and Mrs. Anna Harkness left on Wednesday evening for their homes in Dearborn after spending a few days here visiting relatives.

Mrs. Ed Duflo of Newberry visited on Wednesday with her daughter, Mr. and Mrs. Max Anderson and family.

Marilyn Mainville of Detroit is visiting with her aunt and uncle, Mr. and Mrs. Walter Tucker and family.

Mr. and Mrs. Blaine Simmons and boys of Detroit are visiting their parents, Mrs. Dorothy Kenny and Mr. and Mrs. Roy Simmons and Linda, also brothers and sisters, Mr. and Mrs. Max Simmons and family and Mr. and Mrs. Ben Biber and family.

Mrs. Jay Tanner left Monday for Oscoda to spend some time with Mrs. Luella Cebelak and girls, also Mrs. Maude Tanner.

Mr. and Mrs. William Priess and Mike arrived here Friday evening from Marshall to visit with his parents, Mr. and Mrs. William Priess and Gary.

Mr. and Mrs. David Bryers and family spent Sunday with his sister, Mr. and Mrs. Clyde Harkness and family.

Mr. and Mrs. Grant Landon, Linda and Barb arrived here Monday afternoon from Detroit to spend a week visiting with her sister, Mr. and Mrs. Frank Kirby and Jane, also a brother, Mr. and Mrs. William Priess and Gary.

Jack Beckwith of Detroit visited on Saturday afternoon with Mr. and Mrs. Clyde Harkness and family.

Mr. and Mrs. Dick Mark and family have returned to their home in Detroit after visiting their parents, Mr. and Mrs. Sam Simmerman and Mrs. Katherine Rigdon and boys.

Mr. and Mrs. Ludy Berry and family have returned to their home in Flint after visiting their parents, Mr. and Mrs. Nels Maddox and family, Mr. and Mrs. Tetrault of Curtis.

Marvin Williams, who is stationed in Georgia, is spending a furlough visiting his mother, Mrs. Evelyn Williams and family.

Mr. and Mrs. Harold Kiro and family of Newberry visited on Sunday evening at the home of his sister, Mr. and Mrs. William Priess.

Mrs. Gordon Snyder and Mrs. Greta Snyder were callers in Newberry on Monday afternoon.

Mr. and Mrs. Arthur Smith and other relatives of Bay City are visiting their nephews, Vernon and Ernie Peterson for a week.

Mrs. Jenny Koozitz and Mrs. Mae Grondin, Sylvan Lake and Flint are spending some time here with their sister, Mrs. Clara Koozitz.

U.S. Dismisses Papermill Suit

WASHINGTON (AP) — The Justice Department agreed Wednesday to the dismissal of its civil antitrust suit against six leading paper manufacturers.

The action was taken in U.S. District Court in Grand Rapids, Mich., where the suit was filed in 1962, said Atty. Gen. Nicholas Katzenbach.

The defendants were Scott Paper Co., Philadelphia; S.D. Warren Co., Boston; Abitibi Corp., Alpena, Mich.; Menasha Corp., Menasha, Wis.; American Excelsior Corp., Chicago, and Hammermill Paper Co., Erie, Pa.

The companies were accused of conspiring to hold down prices to be paid to small loggers and wood dealers for pulpboard in the Lower Peninsula of Michigan. The suit said the conspiracy was in violation of the Sherman Antitrust Act and asked that it be enjoined.

The department concluded that dismissal of the suit would be in the public interest after a criminal case based on the same charges resulted in a court-directed acquittal, Katzenbach said.

The latest exchange of price information among the companies was alleged to have occurred in 1958. Only four of the companies still purchase pulpboard in the Lower Peninsula.

However, the department's consent was without prejudice to a revival of the suit if further developments warrant prosecution, the attorney general said.

Manitowoc Gets New Medusa Cement Plant

CLEVELAND — A two phase program to build the nation's largest white cement plant at Manitowoc, Wis., at an estimated cost of \$10 million is announced by Medusa Portland Cement Co.

On completion, the plant will have a capacity of one million barrels a year.

Medusa has had a subsidiary, Manitowoc Portland Cement, in Manitowoc for many years. This is a gray cement plant. White cement has many more applications than the gray type.

The Medusa officials said the first phase of the program, representing about half of the plant's ultimate capacity, will require substantial modification of the gray plant in Manitowoc.

The work will start next year and will be completed by mid 1968.

Last year the company announced it was erecting a gray cement plant at Charlevoix, Mich., to supply Wisconsin and other markets and it was thought this might affect Manitowoc operations.

About 150 persons are employed at the Manitowoc plant now. Company officials said it's too early to tell if more employees will be needed when the new operation gets underway.

Jap Credit Card Good For Cash

TOKYO (AP) — Tokyo has a new vending machine that lends 20,000 yen (\$5.56) on a credit card.

The machine has been set up in the Ginza, Tokyo's most fashionable shopping and entertainment center, where spenders often go broke.

The Japan Credit Center hopes to install the machines in other parts of Tokyo and Japan.

Members of the Japan Credit Center are issued the cards which make the machines work. The interest rate is 5.5 per cent a month and the loan is repayable in three months.

Garden Peninsula

New Books

The library has received 810 new books of interest to all ages. New library rules are: Three books may be borrowed by each person at one time and may be kept for two weeks; There will be a definite charge of two cents a week for overdue books; Hours for the summer season are Wednesday afternoon from 1 to 4 p. m.

4-H Camp

4-Hers attending Camp Wells for five days are: Jackie Halverson, Pamela Forhart, Roxanne Rasmussen, Kathy Guertin, Douglas Rasmussen, Donnie Thennes, Chris Forhart. This group will return July 15. Attending the second camp from July 15-19 are Lana Lucas, Cindy Swaer and Lael Rasmussen. Campers are brought to the county building parking lot and are transported by the county 4-H bus to the Wells State Park. Campers enjoy a well rounded camping program of crafts, swimming, archery and gun range. Miss Barbara Swaer and Miss Carol Plante are attending camp as counselors.

Mr. and Mrs. Donald Saxon, Barbara Swaer and Bill Reno visited in Oconto and Pensaukee, Wis., recently.

The Kates' Bay Home Economics group met at the home of Mrs. Walter DeGroot. A rummage sale was held at the meeting. Mrs. Mac Bolinger of Wolverson, Mich., was a guest. The next meeting will be held July 14 at the home of Mrs. Louie Farley.

Mr. and Mrs. Ed Kauthen visited with his mother, Mrs. Blondina Kauthen.

Mr. and Mrs. Ernest Miller of Bensenville, Ill., visited Mrs. Miller's parents, Mr. and Mrs. John Bartus. While visiting in the Garden area they attended the school reunion at Cooks.

Mr. and Mrs. Eugene Swanson of Flint are at their home in Fayette.

Mr. and Mrs. Ed Grathen and Mrs. Grathen's father visited Mrs. Anna Casey of Fairport. They also visited the Adison Casey and Gerald Casey families in Manistique.

Patty and Carla Casey of Manistique are visiting their grandmother, Mrs. Anna Casey.

Wade Jensen, son of Mr. and Mrs. Pete Jensen celebrated his birthday July 6. Attending were his great grandmother, Mrs. Anna Casey, Lael, Doug, Roxanne, Corine and Jon Rasmussen, Carlo and Patty Jo Casey and Jackie Halverson.

Newspaper Want Ads are a big sell! One billion, twenty-one million was spent on classified ads last year . . . more than for all magazine advertising combined and more than 300 million more than radio advertising.

Auto Workers End Strike At Ford

CLEVELAND (AP) — Auto workers unanimously approved an agreement with the Ford Motor Co. Wednesday, ending a week-long strike at the company's two engine plants and foundry in suburban Brook Park.

The strike had disrupted production in 13 Ford plants in five states and Canada, idling more than 30,000 hourly workers for several days.

State And Local Taxes Increase

CHICAGO (AP) — Americans paid an average of \$266 in state and local taxes in fiscal 1965, up \$16 a person from the preceding year, a survey showed today.

Per capita tax increased in every state and ranged from a low of \$159 in Arkansas to a high of \$379 in California. In fiscal 1964 South Carolina and New York occupied those res-

spective rungs on the tax ladder. States having a per capita state-local tax of under \$200 were West Virginia, Georgia, North and South Carolina, Virginia, Tennessee, Kentucky, Mississippi, Alabama and Arkansas.

LANDING ROCKET

A landing rocket is a manned space vehicle operated to transfer passengers and cargo from a satellite or larger orbiting spaceship to the surface of a planet.

Parks Hosting More Campers

Combine the factors of hot weather and vacation time and you have the result: A rapid increase in the volume of campers and other recreation use of State Parks.

At Fayette State Park Manager James Kent reports attendance up 30 per cent and camping up 200 per cent—with the new beach area getting a good play.

Development of the campground and the restoration of the old structures in the historic town, plus improvement of historical displays are progressing.

At J. W. Wells Park south of Escanaba on the Green Bay shore there have been campground turnaways on both weekend nights. Camping is reported as ahead of last year.

Indian Lake State Park's campground on the west shore is continuing and attendance is climbing as the warm weather holds. There was a suitable observance of the 2,000,000th visitor to Palms Book — the Big Spring park.

State Parks where camping

permits issued have exceeded 1,000 include Bromley in Chippewa County, Straits Park at St. Ignace, and Van Riper near Negaunee.

The leader in daily visitor permits is Porcupine Mountains State Park with 2,479.

There was renewed warning from Conservation Department officials for caution in the use of fire by those who camp or frequent the out-of-doors. Many areas are extremely dry.

Wells

Mr. and Mrs. Francis LeHouillier and family of Grand Rapids visited over the weekend with his parents, Mr. and Mrs. Gilbert Pilon. While here, he joined with family and friends to observe the 87th birthday of his grandfather, Fred Gardner.

Tom Schmeltzer returned Monday after spending the week end in Alpena.

Mr. and Mrs. Arne Rian and family of Minneapolis are visiting Mr. and Mrs. Ken Rian and other relatives in Escanaba.

THERE'S NO SHORTAGE of mail arriving in Viet Nam, but there can be a problem in getting it to U. S. troops in the field. An Air Force mailman, Charlie W. C. McBee, 23, of San Jose, Calif., is all but engulfed by some of the 1.7 million pounds of mail received at the Da Nang air base each month.

Hermansville

St. Anne's Altar Society of St. Mary's Church met recently in the parish hall.

The group made plans for the Board meeting of the Menominee County Deacons of Catholic Women which will be held in the parish hall on Thursday, July 14 at 7:30 p.m. Mrs. William Eisenzoph and Mrs. Patrick Grenier are co-chairman of the lunch committee and table decorations.

Mrs. Edward LeMaide presented a fund raising plan for the Society and Mrs. Richard Grenier, president, presided at the meeting.

Legion Installation

The new slate of officers for the Leo Floriano American Legion Post and Auxiliary for the ensuing year will be installed on Saturday, July 16 at 8 p.m., at the American Legion Club rooms.

Mrs. Earl Kell of Wilson will install the new officers of the Auxiliary, with Mrs. Matt Gurgall, president.

Woodrow Trudell, U. P. Commander of the Legion will install the Legion officers. Julius Haelterman is the newly elected commander of the Floriano Post.

All Legionnaires and Auxiliary members are urged to attend. Lunch will follow the installation.

Mr. and Mrs. William Jacka of Troy, Mich., visited with friends here Wednesday.

Mr. and Mrs. Chuck Baker and family of Detroit are visiting at the home of Mr. and Mrs. Walter Gawron and family.

Mr. and Mrs. Irwin Page and family of Chicago are visiting at the home of her parents, Mr. and Mrs. Alex Rochon.

Mr. and Mrs. William Kaul of Eau Claire, Wis., are visiting with her mother, Mrs. Gabriel LaCasse.

Mrs. Norman Neville and family of Lawrence, Mich., visited recently with her parents, Mr. and Mrs. Alex Rochon.

Mr. and Mrs. Henry Rochon of Waukegan, Ill., visited with relatives here recently.

Mr. and Mrs. Nick Furlick of Dearborn and Mrs. Thomas Karbosky have returned home after spending several days with Mr. and Mrs. Nicholas Furlick and family.

Mr. and Mrs. Eugene Stockero Sr., spent Sunday visiting with relatives in Green Bay.

Mr. and Mrs. Elvis Raiche, Mr. and Mrs. Clarence Ayotte, Mr. and Mrs. Victor Ayotte, Mr. and Mrs. Merrill Vincent, Mr. and Mrs. Delphis Poquette spent the weekend in the Copper Country.

Mr. and Mrs. Eugene Arduin Sr. and family spent the weekend in the Copper Country.

Mr. and Mrs. Donald Tomasi of Milwaukee visited with his parents, Mr. and Mrs. Emil Tomasi and with relatives in Carney.

Weekend visitors at the home of Mr. and Mrs. Irwin Sutherland Sr., included Mr. and Mrs. LeRoy Floriano of Green Bay and Mr. and Mrs. Walter Love of Wayne.

Mr. and Mrs. Wilfred Menard and son Robert, Mr. and Mrs. Harlan Schroeder and Mr. and Mrs. Arnold Hannon are in Northern Canada this week on a vacation trip.

Mr. and Mrs. Arthur Schultz and daughter Sally of Chicago have left for a trip to the East Coast.

Mr. and Mrs. Peter Rutebar of Livonia called on friends here recently.

George Farley has returned home after being a medical patient at St. Francis Hospital, Escanaba.

Members of the Hermansville Boy Scout Troop and their leaders returned home Saturday after spending several days at the Red Buck Scout Camp, west of Munising.

BIG CLOCK

The largest indoor clock in the world is located in New York City's Grand Central Station. The clock has a 15-foot face and its minute hand is seven feet long.

Math Course

HOUGHTON — High school graduates who plan to enroll in a college or university this fall will have the opportunity to take part in Michigan Tech's mathematics workshop, beginning on the Tech campus July 23. The workshop is designed to review secondary school mathematics through algebra and trigonometry, and to prepare high school graduates for the standard first year college work in mathematics.

We can decipher it

■ Reading a doctor's prescription is not quite as hard as breaking a code. What appears to be scribbling is really medical shorthand that physicians use to tell us your needs. It can be read by pharmacists anywhere and lets us, here in your neighborhood, fill any prescription no matter what doctor writes it. Chances are we could fill a prescription from Afghanistan. No matter what it looks like to you, the important thing is that we can read it and serve your needs.

WE RENT AND SELL:

- Wheel Chairs
 - Canes
 - Crutches
 - Hospital Beds
- FOR PEOPLE OVER 65: You can obtain these items by seeing your doctor.
